CHECK THAT COLD RIGHT AWAY

Dr. King's New Discovery has relieved colds and coughs for fifty years

It was an unusually high quality cold, cough, gripe, and croup remedy when introduced half a century ago. Not once in all the years since then has the quality been allowed to deteriorate. Its effectiveness in combating colds and coughs has been proved thousands of times in thousands of families. Taken by grownups and given to the little ones for the safe, sure treatment of colds and gripe, coughs and croup, it leaves absolutely no disagreeable after-effects. Get a bottle at your druggist's today. 60c. and \$1.20.

Bowels Act Human
—function gently but firmly without the violence of purgatives—when you treat them with Dr. King's New Life Pills. A smooth-acting laxative that gets right down to business and gratifying results. All druggists—25c. a bottle.

TO DARKEN HAIR APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 5-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

No boxing since the Dempsey-Willard mill at Toledo last summer has attracted so much attention as the Benny Leonard-Johnny Dundee bout scheduled for Jan. 16 at New Haven.
