

# Big Value in Tires for Small Cars

Back of the manufacture of Goodyear Tires for small cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3 1/2-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that, if you own a Ford, Chevrolet, Dort, Maxwell or other car requiring the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$20.00  
30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag \$3.90

**FEEL ALL USED UP?**

Lots of Klamath Falls People Do.

Does your back ache constantly? Do you have sharp twinges when stooping or lifting? Feel all used up—as if you could just go no further? Why not look to your kidneys? Why not use Doan's Kidney Pills? Ask your neighbor. Read the statement of this nearby resident:

Mrs. J. Galbraith, 136 Sherman St., Ashland, Ore., says: "Some years ago my kidneys were in a bad way. At times they acted too freely and then again not often enough. My back felt weak and lame and I was tired and languid all the time. Finally I began taking Doan's Kidney Pills and they helped me wonderfully. They regulated the action of my kidneys and since then, I have always used Doan's when I have felt my kidneys needed attention. They have never failed to help me."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Galbraith had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

ing, to say nothing of the charms of Mrs. Billy and Miss Edna. The entire upper floor was brilliantly lighted and given over to card playing; while downstairs the musicians and dancers kept things lively till a late hour. An abundance of refreshments were provided for all.

Ray Gale, nephew of A. E. Gale, had a narrow escape from death at school this week, when his horse threw and dragged him. The breaking of one of the stirrups no doubt saved the lad's life.

**MEXICANS LIKE PICTURE TRADE MARKS.**

JUAREZ, Mex. Feb. 11.—American textile manufacturers shipping to Mexico are adopting the practice of using pictures as trade marks, instead of simply names, according to a report received by Edward A. Dow, American consul here.

A rose, a star, an Indian's head in colors now serve to attract attention of Mexican buyers of cheap and medium-priced goods, such as denim, percale and madras cloths. Invariably,

### LORELLA LOCALS.

Thursday, February 5, was surely a red letter day for the Ladies' Aid of Lorella. The occasion was an all-day meeting of the society at the home of Mrs. H. D. Campbell. The upstairs rooms were devoted to an old-time quilting bee, while the ladies downstairs were busy with blocks for another quilt. Work for the annual bazaar next fall has already begun.

At noon a fine dinner was served, which was one of the kind usually served in that hospitable home. Mrs. J. C. Conley ably assisted in entertaining the ladies. About noon four distinguished gentlemen from Klamath Falls arrived and were invited in to dinner. They were Captain Siemens, A. B. Epperson, Archie Wishard, and G. W. Mattern. On learning the nature of the gathering, these gentlemen opened their pocket-books most generously, Captain Siemens leading off the contributions with a five-dollar bill.
