### ALFALFA LAND

We have a dandy 80-acre irrigated tract only 5 1/4 miles from Klamath Falls, on road, at the low price of \$90.00 per acre. It has deep sandy loam soil and just right for alfalfa. Easy terms.

We also have 160-acre irrigated ranch 6 1/2 miles from Falls at a price of \$10,000 on very easy terms. There is a good new house, about 40 acres alfalfa, and most of the land is sandy loam of good quality. If you will be a pleasure to show you these and other good irrigated ranches.
