Personal Mention

J. P. Campbell has gone to Ashland for a visit with his family.

The many friends of Miss Edith Simon will be pleased to know that she is now convalescent, after her very serious illness of pneumonia following an attack of influenza.

James Milne, resident manager of the White Pelican hotel, left this morning for Seattle on account of the illness of his mother. Mr. Milne yesterday received a telegram stating that his mother, who is past 80 years old, is not expected to survive.

Mr. and Mrs. C. I. Winnek left this morning for a tour of California and expect to be absent for about six weeks. They will spend a week in San Francisco and from there plan to go to San Diego by

boat and visit the points of interest there and in other cities of southern California.

Mrs. H. H. Edmonds is recovering from an attack of influenza. Her sister, Mrs. Williamson, of Yreka, has been assisting in caring for her during her illness.

Mrs. W. S. Wooden returned to her home in Portland this morning after two weeks spent in this city caring for her parents, Mr. and Mrs. William Messner, who have been ill.

Mr. and Mrs. H. R. Reynolds have returned after spending several weeks in Portland and are stopping at the White Pelican hotel.

KICKED BY MULE, WILL NOT FORGET

HOUSTON, Tex., Feb. 21.—A kick from a mule is guaranteed to make just about as much impression on the memory as it does on the anatomy. Yet Clyde D. Jarvis has made sure that he will not forget the kick he received from a Missouri beast of burden for the rest of his natural life. Jarvis applied for enlistment in the Marine Corps here today and was accepted. He exhibited a scar about six inches long on the left side of his abdomen, and explained it was the result of an operation he had undergone, some six months before, for a supposed ruptured spleen, following the kick from the mule.

The operating surgeon had made the wrong diagnosis, however, and found that Jarvis' spleen was O. K. Tattooed above the scar in large letters were the words, "Opened by mistake."

USUAL GAIN SHOWN IN CLEARINGS COMPARISON.

Bank clearings for the week ending February 21, 1920, were \$300,942.88, against \$199,038.40 for the same period in 1919, according to the weekly statement of the local clearing house association.

SUNFLOWER SEED HERE—ERROR IN PUBLICATION

An error appeared in the Farm Bureau items in The Herald Friday in the announcement of the arrival of sulphur and seed. It should have been said that a carload of sulphur and 1,500 pounds of sunflower seed are here for distribution at the O. K. Transfer company's warehouse. The erroneous statement said that alfalfa seed had been received.
