

Personal Mention

Chas. Gray of Olene is in town.
 Wm. Skeen, owner of White Pine garage at Chiloquin, was down on business yesterday.
 R. H. Hoffman of the Premium dairy is in town on business.
 E. M. Hammond, president of the Wool Growers' association, is in town from Merrill.
 Mr. and Mrs. Chas. Martin are spending several weeks in San Francisco.
 Patrolman M. L. Barnett, J. W. Hilton and Mark Howard left this morning for Portland, where they will be witnesses before the federal grand jury in the Boucitt "moon-shining" case.
 Miss Gertrude Eckman has returned from six weeks spent in New York City, where she went to study the Spring styles. Miss Eckman states that she encountered a blizzard in New York, but that it did not restrain her from purchasing the prettiest of Spring millinery for a country that knows no blizzards.
 A telephone message was received last night from H. E. Momyer at Crater Lake headquarters. Mr. Momyer reports only three feet of snow at headquarters and found on making a trip to the rim yesterday that there was very little more snow there. He found indications that some one had been in to the lake from the Sand creek side and had made their headquarters in the engineers' cabin below the rim.

ELKS MEET TONIGHT.

The regular meeting of the Elks' lodge will be held tonight. Exalted Ruler Underwood announced today. As there was no meeting last week he requests a full attendance of members at this meeting.

WEATHER RECORD

Hereafter the Herald will publish the mean and maximum temperatures and precipitation record as taken by the U. S. Reclamation service station. Publication will cover the day previous to the paper's issue, up to 5 o'clock of that day.

VIENNESE WILL STUDY SWISS FARMING

VIENNA, Feb. 1.—Arrangements have been made with Switzerland permitting the sending there of large numbers of Austrian youths to study Swiss intensive farming methods. The dairy industry, particularly, will be studied, as the Austrian government is endeavoring to induce the farmers to improve and extend this branch of agriculture.

DUBBELBILT Clothes wear longer, because they are reinforced at all wear points. They are built to stand roughest handling.

And this added wear is so certain that it is guaranteed by the famous Dubbelbilt guarantee:

Six months' wear, without rip, hole, or tear; will repair suit free.

The matter of style is taken care of, too. The vigorous, American-boy style in Dubbelbilt Cloth all boys like to have.

All the standard colors and mixtures.
 \$14.75—\$16.75—\$18.75—\$20.75—and upwards to \$25.00

WEATHER REPORT

Oregon — Tonight and Friday, probably rain or snow; moderate winds, mostly northerly.

By means of an instrument invented by Dr. J. S. Owens, secretary of the British committee for the investigation of atmospheric pollution, it is possible to measure and record the dirt in the air over a town at any and every hour.

ATTENTION MACHINISTS, —and— AUTO MECHANICS.

Machinists Union No. 1473 will hold an open meeting at 7:30 p. m. Friday, February 27th, 1920 at Labor Council Hall, 6th and Main Sts. Charter now open. 26

FACTS NO. 564

FROM FARM TO MARKET

Analysis of the programme for road construction in 1920 shows that production of food products by connection of rich areas with markets by good roads will be greatly increased in 1920. These roads should be serviceable every day in the year by paving with

WARRENITE-BITULITHIC

WARREN BROS. CO.

All main Klamath Falls, Grants Pass and Ashland streets are paved with Warrenite-Bitulithic, all over 10 years in service.
