BLACK MAN HAS WANDERED FAR

NEW YORK, Feb. 28.—If Jack Johnson, former heavyweight champion of the world, lives up to his expressed determination to return to this country and surrender himself to the authorities within the next few weeks his action will terminate a long period of wandering thru foreign climes. Johnson who had been convicted of violating the Mann act, slipped out of the United States nearly seven years ago. He had been sentenced at Chicago to serve one year and one day in prison and to pay a fine of \$1,000 but he forfeited his bail and after evading the Federal authorities, landed in Canada in June 1913.

When Johnson left Chicago he started on a journey which brought him through most of the European and Latin-American countries. During his period of wandering Johnson initiated Russians in the mysteries of wrestling and boxing, appeared in vaudeville in English music halls, fought bulls in Spain and Mexico, lost his championship title

to Jess Willard at Havana, Cuba and took part in over 100 wing fights in several parts of the two hemispheres.

When the war broke out in Europe Johnson and his white wife were in Moscow, Russia. Aided by some military friends the pair secured places aboard the last train leaving Moscow for the west. They passed through Poland and Germany and crossed the Belgian frontier finally reaching Paris. Later Johnson went to England and thence to South America. From Buenos Aires he returned to Spain where he lived for some two years. Last summer Johnson arrived in Mexico via Cuba and up to a few weeks ago was a resident of Mexico City.

His gamut of experiences as a fugitive will soon conclude according to his own statement with a return to the United States as he desires to live at home again no matter what punishment the courts of justice may inflict on him. With this object in view, Johnson is expected to arrive here within a short time from Vera Cruz with the intention of surrendering to the federal officials at Chicago.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Take glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is aching; if what you eat sours and forms acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before eating more food.

To feel like young folks feel; like you felt before your blood and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate, which is inexpensive and almost tasteless.

Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast.
