RESUMES

Monday, March First

the operation of its lines, which since January 1, 1918, have been under control of the United States Railroad Administration.

Your patronage is asked on the ground of our giving you in return the best service at our command, and in which we all, officers and employes, hope to earn your commendation.

Your consideration is asked because with the passage of the new railroad bill by the Congress determining the public control over the railroads, we only now have in sight the end of a long period of great uncertainty, in which it was impossible to determine plans for the future. In the period of readjustment following March first we rely upon your patience.

Your co-operation is asked in letting us have the benefit of your suggestions and counsel in connection with our service.

For information, C. M. Douglas, agent, Klamath Falls, is at your service.
