Half a Pineapple

Crushed to Flavor One Jiffy-Jell Dessert

Here is one example of the wealth of fruit in Jiffy-Jell desserts.

We crush pineapples in Hawaii—fruit too ripe to ship. The juice of half a fruit is condensed and sealed in a vial to flavor one pint dessert.

Yet the whole dessert costs but a few cents, ready at your call.

So with eight rich fruits which come in Jiffy-Jell. All are made from crushed fruit, all are abundant. All come in liquid form, condensed and sealed in glass—a bottle in each package.

Real-fruit flavors in bottles

Mark this Jiffy-Jell distinction. Note how it differs from old-style quick gelatine desserts. Jiffy-Jell alone has these bottled fruit-juice essences.

Jiffy-Jell desserts are fruit-made dainties, rich in fruit. The fruit taste is not mere flavor and not artificial.

People need fruit daily. Now, when fruit is costly, this is an ideal way to serve it.

Complete desserts

Jiffy-Jell comes ready-sweetened. It is acidulated with evaporated fruit acid. A rare-grade gelatine is in it, and the fruit-juice essence in a vial.

You simply add hot water as directed on package, and let cool. Then a package of Jiffy-Jell serves six people in mold form, or twelve if you whip the jell.

Yet this fruit-made dainty, rich in fruit, costs a trifle. It costs less than serving apples.

'Twill delight you

Try Jiffy-Jell in various fruit flavors. Try Pineapple flavor for a tart green salad jell. Try Mint for a mint jell to serve with meats.

Learn what these dainties mean to you. Compare them with old-style desserts of this type.

We offer you choice of several 50-cent molds. You will do this, and at once. Cut out our offer so you won't forget.

VIENNA, Dec. 23. (By Mail).—Unoccupied rooms and apartments in Vienna whether in ordinary homes or in palaces are being ruthlessly requisitioned for the use of the people who have no homes. For-

mer employes of the state railways who were expelled from neighboring countries and who have been living in railway cars in the outskirts of Vienna are the first to be supplied with rooms.

Owners of palaces are offering Americans and British here entire floors sumptuously furnished in their establishments in an effort to prevent this forcible occupation of their premises by public tenants.

MAYOR FORCED TO QUIT FEASTING

PHILADELPHIA, Feb. 28. —Mayor J. Hampton Moore, in times past one of Philadelphia's most persistent banqueters, had decided to keep away from feasts during the term of office he has just begun.

As Representative Moore he was much in demand as an after-dinner speaker. He was one of the organizers and the chief spirit of the Five O'Clock Club, a famous dining organization. But since he became Mayor Moore the demand for his attendance at banquets has troubled. One evening recently he attended five of these functions, remaining at each one long enough to make a speech. This experience led him to announce that "public business is increasing to such an extent that he is obliged to decline almost all invitations for speeches at night. They are kindly intended, but there is a mayor said.

SALE OF TIMBER KLAMATH INDIAN RESERVATION AGENCY UNIT.

Sealed bids in duplicate, marked outside "Bid Agency Timber Unit" and addressed to Superintendent, Klamath Indian School, Klamath Agency, Oregon, will be received until twelve o'clock noon, Pacific time, Wednesday, March 24, 1920, for the purchase of timber on a tract, in township 24 south, range 7 east of the Williams to Meridian in Klamath Indian Reservation, lying between the J. J. Steiger Sale area and the so-called Spring Creek Sales areas. The said unit includes 1360 acres of unallotted land with an estimated stand of five million feet as to which contract will be made with the Superintendent and about 800 acres of allotted lands with an estimated stand of three million feet as to which separate approved contracts with the Indian owners may probably be made. More than ninety per cent of the timber is western yellow pine and the remainder is white fir, Douglas fir and sugar pine. Each bid must state the price per thousand feet Scribner Decimal C. Log Scale that will be paid for timber cut and sealed. No bid of less than three dollars and fifty cents (\$3.50) per M. foot for yellow pine and one dollar and fifty cents (\$1.50) for other species will be considered. Each bid must be accompanied by a certified check on a solvent national bank, payable to the Superintendent of the Klamath Indian School, in the amount of one thousand dollars (\$1,000.00). The deposit will be returned if the bid is rejected but retained as liquidated damages if the required contract and bond are not executed and presented for approval within sixty days from the acceptance of a bid. The right to reject any and all bids is reserved. Copies of the bid and contract forms and other information may be obtained from Superintendent Indian School, Klamath Agency, Oregon, Washington, D. C., Cato Sells, Feb. 18, 1920. Commissioner of Indian Affairs. 25 26 28 2 4 6 9 11 13
