**ABANDONS IDEA OF CUBAN SALOON**

YREKA, Cal., Mar. 8.—Victor Warren, banker and former saloon proprietor, has returned from a trip to Cuba, and said he had abandoned a plan to establish a saloon in Havana or elsewhere in the southern republic.

Warren formerly conducted a saloon at Hill, California, near the Oregon line, and when prohibition became effective in Oregon, Warren's business grew to immense proportions. When national prohibition

came he owned 1,075 barrels of whisky, valued at \$100,000.

Through establishment of an American saloon in Cuba, Warren had hoped to dispose of this liquor, but investigation showed, he said, that the bond and other formalities required to get the liquor from this country made the venture too hazardous.

**PICTURES OF 75,000 GRAVES ARE TAKEN.**

HELENA, Mont., Feb. 27. (By M a 11).—Approximately 75,000 graves of American soldiers in France, Germany, Italy, Belgium and England have been photographed by the American Red Cross, according to Miss Bessie Little of this city, who recently returned home after an absence since December 1917, taking photographs in France. "It is surprising how many of the fallen soldiers have been identified," said Miss Little. "Also, remarkable work has been done in removing the bodies from the temporary places, where they were often buried in battle, to the concentration cemeteries. The Argonne burial place, the largest, contains 22,000 graves."

MRS. ALICE McCLUSKEY, prominent Lewiston woman, who says she wishes she could have gotten Tanlac twenty years ago, as it would have saved her lots of suffering. Declares she is now well and happy and that she wants everybody to know about it.

"I have been trying for twenty long years to find a medicine that would overcome my troubles, but my efforts failed me completely until I commenced taking Tanlac," was the remarkable statement made recently by Mrs. Alice McCluskey, residing at No. 66 Park Street, Lewiston, Me., a well-known and most highly respected woman of that city.

"I just feel like I would give the world to meet everyone who suffers as I did and tell them about this medicine. If I could only have gotten Tanlac twenty years ago it would have saved me a lot of suffering and money.

"My principal trouble was indigestion, and for many years I could not eat meat or pastries for I would always have a distressed feeling after eating and nothing seemed to agree with me. Then, to add to the rest of my suffering, I contracted rheumatism in my shoulders and hips and the awful pains I suffered can never be told in words. This trouble finally got so bad I could hardly walk and my arms pained me so I could scarcely raise my hands to my head. I even had to give up my housework and was hardly able to get around at all.

"You can imagine how happy I was when, after taking a few bottles of Tanlac, I found such a wonderful improvement in my condition! Why, it was just the medicine I needed all the time and I continued taking it until now I am perfectly well again. I can truthfully say that I am enjoying as good health now as I ever had in all my life. I have gained about 14 pounds in weight and can again do all my housework without the least trouble. I don't get tired like I did and after doing my work I can get out and walk for blocks and feel just fine when I get back home. I earnestly advise everyone who suffers as I did to take Tanlac."

Tanlac is sold in Klamath Falls by the Star Drug Co., in Lorella by the James Merc. Co., and in Merrill by the Southern Oregon Drug Co.—adv.
