The following instances of a widowed mother, who was saved from suffering through information obtained through this channel, is only one of many demonstrating the lack of knowledge which obtains concerning the personal rights of the men and their relatives.

While in camp this woman's son, who had been the main support of the home, was struck by lightning and killed. Ignorant of her rights or how to obtain them, the mother filed no claim and was in actual want when the Red Cross questionnaire was brought to her attention by a neighbor. Inquiry elicited the information that during her son's period of service men were automatically insured by the government and by merely applying and furnishing necessary proofs the mother receives in monthly installments the benefits from a \$5000 insurance policy.

A reply from a discharged soldier suffering with heart lesion disclosed the fact that he had not applied for compensation thinking that illness did not entitle him to a claim. The Home Service Section interested obtained for him not only the compensation due, but medical treatment as well; also adjusting matters which related to the welfare of the family and the home.

Miss Oleson, the Klamath County Home Service Worker is very anxious to secure a list of service men who left from this county or who are now residing here in order that such questionnaires may be sent to them and will be very glad to get in touch with individuals or organizations having partial or complete lists of the service men in this county.

ILLITERATES

RIVERSIDE, Cal., Mar. 18.—Two families, comprising 18 persons unable to read or write in any language were recently discovered in Temescal canyon, near here, by Fred M. Baird, a census enumerator. Baird said there were eleven children of school age in the two families. The matter was reported to school authorities.

A Herald Want Ad will sell it.

FLASHLIGHTS WILL REPLACE LANTERNS

LONDON, Feb. 25. (By Mail).—One of the most picturesque features of the varied outfit of the London policeman, the old-fashioned oil dark lantern, is to give place to the electric flashlight.

The London "hobby" has been accustomed when darkness fell to light his lamp and attach it to his belt at the back slightly on the right side. It generated too much heat, was cumbersome and when a policeman engaged in a scuffle with a criminal his clothing was generously sprinkled with kerosene.

PREACHER TURNS TABLES ON DANCERS

BRAZIL, Ind., Mar. 18.—The "town wag" mailed an invitation to the Rev. Edward Rosier to attend a "society dance" at Clay City recently. The minister caused a sensation by accepting and including in the program much more than was expected.

Accompanied by his wife, the Rev. Mr. Rosier paid his dollar entrance fee and passed into the dance hall. He then attacked dancing and after his address said he would offer prayer for the "sinners" if they would kneel. Several did kneel and the minister prayed.

Following the prayer, the Rev. Mr. Rosier gave the dancers another short sermon and declared it an insult to send a minister an invitation to a dance. After the service the dance went on, but it was admitted not with the customary merriment.

Anatols Pollin, the Swedish middle distance champion runner, is disgusted with his showing in America and is going back to Sweden.

GOODYEAR SERVICE—OUR SERVICE

It is part of the Goodyear policy and part of our policy to be of real service to all tire users. Goodyear builds three types of Clincher casings for the smaller cars, such as the Ford, Maxwell, Chevrolet or Dort, and the same long mileage is built into them as in the larger sizes. We help you choose the best type of tire for your needs and we tell you—show you—how to get the longest possible mileage out of them.

We have a complete stock of Goodyears. Casings and tubes of all sizes and types. Tires, Accessories, etc.

It will pay you in many ways to take advantage of our service.

MEN APPLY TO RED CROSS FOR INFORMATION

The American Red Cross does not consider its war-developed responsibility to soldiers and sailors and their families finished until every ex-service man has received what the government intended he should. In fulfilling this obligation and achieving the desired results, a fundamental point is to discover throughout countrysides and in cities those who for various reasons have not received what is due them for the service they rendered.

In many cases, although in most camps an effort was made to inform the man of the advantages offered by the government, it has been found that he is unaware of them or does not know how to obtain them. A great mass of legislation effecting service men has been passed since the signing of the armistice or is now pending before congress and the various state legislatures, and Red Cross workers have found that many well informed service men are not familiar with these more recent provisions. This is especially true in the West where a large part of our population is transient. There are, no doubt, many ex-service men living in

and about Klamath Falls who entered service from some other state, who do not know about the benefits their home state has made for its sons who joined the colors.

Although very little advertising has yet been done by the Klamath County Chapter of the Red Cross as to its facilities for supplying information and assistance to ex-service men and their families, enough men have called at the Home Service Office, located opposite the courthouse in the offices of DeLap & Hayden, to indicate that there are many who are in need of information or assistance. Answers and requests for service vary, some being for medical or dental care while a number are interested in government insurance, locating baggage lost while in service, securing duplicate discharge certificates, or in obtaining allotments from service pay which were never received by the allottee.

In many countries a successful means of checking up on those who need assistance in such matters has been in the use of a carefully prepared questionnaire. It asks information concerning the man's discharge and includes matters of Liberty Bonds, compensation, insurance, medical care and re-education, closing with a direct request for information and co-operation of the soldier. There is great advantage in this personal contact since it shows the soldier that the Red Cross is as interested in him at home as when he was abroad and brings to light many badly neglected cases.

— use your head to save your sole

THE sensible, practical man seeks shoes that will give sensible, practical service, comfort and good looks. These features must be built right into good shoes. And all these features are combined—built into every part of BUCKHECHT Shoes.

BUCKHECHT SHOES

MANUFACTURERS Since the early fifties SAN FRANCISCO

The World's Largest Production of Tires on the Smallest Cars Alone

We call attention not so much to the size of this average daily production as to the extent of the effort we put into the making of these 30x3-, 30x3½-, and 31x4-inch sizes.

The separate factory we have devoted to their manufacture is not only the largest of its kind in the world, but it makes fully effective that experience and resourcefulness which have produced the tires most popular on the higher-priced cars.

No tires bearing the Goodyear name contain a higher relative value than these tires for Ford, Chevrolet, Dort, Maxwell and other cars requiring the sizes mentioned.

If you own one of these cars, go to the nearest Goodyear Service Station Dealer for these tires and for Goodyear Heavy Tourist Tubes. He has them.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
 30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. \$4.50
 30x3 1-2 size in water-proof bag.....
