brought congratulations from other dealers in the auto distributed industry.

Two cars are on hand and persons interested in investigating the merits of the car will gladly be given a demonstration at the firm's temporary quarters, the old Blehn garage, corner of Ninth and Main streets. A carload shipment of Columbia Sixes is on the way and their arrival is expected at any time from now on.

The car has been on the market for five years and is ranked third in popularity in Detroit, the center of the motor industry.

HAD TO MUFFLE THE TELEPHONE

Mrs. Swanson's Nerves Were Upset From Years of Trouble—Gains 20 Pounds.

"For the benefit of thousands who are suffering from stomach trouble and a run down condition I want to tell of the wonderful results I have gotten from Tanlac," said Mrs. Lena Swanson, of 1720 North Madison St., Peoria, Ill.

"It was eight years ago that my stomach got out of order and my health began to fail," she continued. "Finally I got to feeling so bad that I lost interest in everything and got no pleasure out of life. My food acted like poison to my system and I would bloat up with gas and suffer agonies. My heart would flutter until I was almost faint and at times I would get so dizzy the house seemed to be whirling round. I had to almost stop eating and became so weak it was all I could do to get about the house. My nerves were so shattered even the ringing of the telephone upset me and I had to muffle it. I slept very little and seldom woke up in the morning without a dull, nagging headache.

"My brother had gotten such fine results from taking Tanlac that he talked me into trying it and I improved remarkably with the very first bottle,—got so I could eat and sleep better. Now after taking five bottles my friends tell me I am the picture of health. I can eat anything, even boiled meats, cabbage and pickles without a bit of trouble with my stomach. My nerves are calm and I sleep like a child every night; I have gained twenty pounds in weight and I never grow tired of praising Tanlac."

Tanlac is sold in Klamath Falls by the Star Drug Co., in Lorella by the James Merc. Co., and in Merrill by the Southern Oregon Drug Co.—adv.

are represented in the new club. The new club intends to purchase at least one plane and plans are being considered also to acquire the use of a landing place for fliers. One of its members is Major William R. McBain who served three years in France with the British flying corps and brought down 13 German planes. The Peking government has purchased and has received from Britain a number of planes with which an air mail service is to be established this summer between Chinese cities.

A CORRECTION

An error in the announcement of the first appearance of the O. A. C. Cadet's band, published yesterday, made the date of the concert read October 22 and 23, instead of March 22 and 23, the correct dates. While the band is so good that folks figure a long way ahead in order not to miss hearing it, seven months advance notice is going rather strong. Better keep Monday and Tuesday, 22 and 23, free from other engagements, however, if you love high-class band music.
