

"SHOW ME A SIGN FROM HEAVEN—GIVE ME REAL PROOF OF YOUR GOD!" HAD BEEN THE CHALLENGE OF CHARLEY STEELE.

Then the tailor of Chaudiere, in his simple fanaticism, sought to brand proof upon the young man as he slept, with a little cross, heated white hot.

WAGNER WINS FIGHT ON FOUL

In the eighth round of what appeared to be a grudge fight, albeit the cleanest ever staged between headliners by the local commission, Billy Huff, who was pressing a temporary advantage, fouled Bob Wagner unintentionally, and Referee Roy Tabor promptly gave the fight to Wagner at the opera house last night. Those close to the ring were all of the opinion that Wagner was fouled but there could be no doubt that it was purely an accident.

From the first round the fight was clean and snappy. Both fighters were constantly on their toes and the fans could hardly keep their seats from excitement. The knowing fans at the ringside conceded that the fight was Huff's until the unfortunate blow.

The second round was Wagner's, who was the aggressor in the early part of the fight. In this round a clean left caught the Klamath boy on the point of the jaw and he went down for the count of five but was up at six nothing daunted. The first round might be called Wagner's. The third and fourth were clearly Huff's, the fifth even, and the sixth, seventh and eighth until the foul were also Huff's. In the eighth Wagner seemed to be tiring, and Huff, who is always wide awake to press a winning point chased him around the ring and, in an effort to put through an upper cut to victory, swung low, with the result that Wagner was in distress for a quarter of an hour with the long end of the money.

The preliminaries from the curtain raiser by Chas. Hall and Paul Covert to the six round semi-final between Young Souza and Eddie Murphy were good. Eddie Murphy displayed wonderful ring generalship but the last two rounds entitled Souza to a draw, which was applauded by the fans.

Soldier Fontana won the special event staged through generosity of the fans from Herrington by a popular decision by Tom Watters, the veteran referee, who was called in for this one fight. Both have a mean punch and were not averse to showing it.

Bob Allen, who was substituted at the last minute for Young Grafton, won a four round preliminary over Soldier White. The decision was not popular with some of the fans but in the opinion of the majority it could not have been otherwise. In the last round Allen's glove came unlaced and he held out his hand to the referee. As the fight proceeded without interruption the spectators who hadn't seen his glove thought he wanted the fight to stop. White had Allen in distress throughout the third round but the first two were clearly Allen's and the last could not possibly have been termed White's so that the decision was greeted with approval by the majority.

This was the longest program ever staged here and possibly the best. The fans all sympathized with Wagner in his temporary pain but were also sorry for Huff in that thru an accident he was deprived of the long end of the money.

Roy Tabor, who made his first appearance here as referee, showed a wonderful knowledge of the game and had the support of the fans.

be undertaken with the following conditions of service. Obligation to serve overseas in a moment of "extreme national emergency," but not until the reserves have been called to the colors; no territorial soldiers to be called upon for foreign service without the sanction of Parliament.

It has also been definitely decided that the special reserve (militia) is to be retained.
