

FACTS--Not Factions

The Community Survey is a get-together movement of every section of the city in order to find out

What We Have and What We Need

We cannot plan for constructive community betterment if we do not have the FACTS about our city.

Most betterment movements fail because they do not have the support of ALL the people.

No community can move any faster than the majority of the people SEE and BELIEVE.

Help us get the facts about local conditions so that we can all SEE.

SEEING IS BELIEVING

Following Article Interests Many

In this article we will try to explain the cause of rheumatism and offer suggestions founded on years of experience that will enable you to secure relief and cure if you are afflicted with this dread disease in any of its forms. But the first thing the sufferer must realize is that rheumatism is a blood disease and can not be cured by local or external treatment. Constipation, weak kidneys, stomach troubles or indigestion prevent the proper removal of the waste products of the body. This refuse accumulates in the stomach and bowels and forms uric acid and other poisons which the blood quickly absorbs. These poisons irritate the inner lining of the arteries and veins and when deposited in the joints dry up and destroy the natural fluids causing articular rheumatism. Muscular rheumatism is caused when these poisons are fed by the blood stream to the muscles. Rheumatism in time becomes chronic and causes total disability and even deformity. It can only be

secured by internal treatment and Anti-Uric has proved to be the best treatment in all cases. Mineral remedies work dangerously on the delicate parts of the system especially the stomach and bowels, at times destroying the lining membrane and causing chronic dyspepsia and often ruining the health. Anti-Uric contains no minerals or salicylates, it is a pure, herbal preparation and possesses properties that build up all parts of the system in addition to eliminating all poisons and impurities. If you suffer with weak kidneys or disordered stomach Anti-Uric will work wonders in your case and if these ailments have caused rheumatism Anti-Uric will benefit you as it has benefited many others. Get an outfit of Anti-Uric and use according to the directions, if you do not get satisfactory results or experience any of the symptoms described after using the second outfit your money will be refunded. Anti-Uric is for sale by THE STAR DRUG COMPANY.
