

What is the Use? Why?

ARE YOU ASKING THESE QUESTIONS ABOUT THE CIVIC SURVEY?

IF YOU ARE A MERCHANT—

Before you rent a store, you think of its location, its size, the amount of goods necessary to buy, the clerks you will need.

IF YOU ARE A MANUFACTURER—

Before you build a plant, you choose a suitable site as to location, size, drainage, transportation, etc. You plan your buildings and machinery—plan every detail of construction looking ahead to a finished product.

IF YOU ARE A LABORER—

You choose your work—for what are you best fitted? What work brings you the best compensation? Under what conditions do you most enjoy your work?

IF YOU ARE A HOUSEWIFE—

You choose a suitable, clean, well-kept house in which to live. You select your furniture to fit the needs of your family. You plan your meals to fit that same end. You plan and make your clothes to suit the seasons and styles.

IF YOU ARE A PROFESSIONAL MAN—

You have had your profession in mind since a youth, planning your whole education with that in mind. Everyone has a plan of his mode of living.

WHY NOT HAVE A CITY PLAN—

But first find out "what we have"—which leads us to "what we need."

It is the way of the world to study its problems and solve them after a thorough survey of the existing facts.

ORDER IS HEAVEN'S FIRST LAW

We are all city builders. We have a baby city. Let's think of its needs today—tomorrow—and in the next generation.

A BABY NEEDS—

- Food
- Bathing
- A Bed
- Nurse
- Play
- Fresh Air and Sunshine

A CITY NEEDS—

- City Industries
- Sanitary Conditions
- Houses—Lodgings
- City Organization
- Clean Recreation
- Parks and Playgrounds

WE ARE A BABY CITY—WHAT DO WE NEED?

MRS. MARY E. ROACH, of Lynchburg, Va., who says Tanlac is her favorite medicine and that she will always keep it on hand as it enabled her to enjoy three years of good health.

"Tanlac has been the favorite medicine in my cabinet for three years," said Mrs. M. E. Roach, of 402 Clay street, Lynchburg, Virginia, in an interview, recently.

"At the time I began taking Tanlac," explained Mrs. Roach, "I had been suffering from indigestion, rheumatism and other troubles for nine years and could find nothing to help me. If I ventured to eat anything the least bit heavy I would bloat up with sour gas and almost smother. My heart would palpitate frightfully and when these spells came on me I was so dizzy and weak I could hardly stand up. I often had to stop and rest while doing my housework. I was badly constipated and hardly ever free of headache. I also suffered with rheumatism in my fingers and especially in cloudy, rainy or snowy weather my pain was almost unbearable. My kidneys and liver were out of order and I had the worst kind of pains in my back, legs and shoulders. I had no appetite and what little I did eat seemed to do me more harm than good, as I always suffered afterwards and had become so run-down, weak and miserable that I sometimes felt like life was hardly worth living.

"One day I read a testimonial for Tanlac that seemed so sincere that I decided to see if the medicine would help me. Well, the first bottle did me so much good that I got another, then another and so on until my troubles all disappeared. As I said, that was three years ago and I have been able to keep myself in good health ever since by taking a few doses of Tanlac now and then as I feel the need of it. Tanlac has built me up and given me strength and energy so that my housework is easy for me. It makes life worth living, for it keeps me with a good appetite, helps me to digest my food properly, and, by relieving me of all suffering and nervousness, enables me to sleep soundly every night. I shall always praise Tanlac."

Tanlac is sold in Klamath Falls by the Star Drug Co., in Lorella by the James Merc. Co., and in Merrill by the Southern Oregon Drug Co.—adv.

AT THE THEATERS

"The Little Intruder," the new World Picture, starring Louise Huff, which is scheduled for showing tonight at the Liberty Theatre moves with a lot of speed to a logical climax and is interesting and interesting from start to finish. Supporting Miss Huff in this production is a notable cast of screen players including such favorites as George MacQuarrie, Johnny Hines, Stuart Holmes, Albert Hart and others. The story of "The Little Intruder" was written by H. S. Sheldon, and he certainly penned a mighty interesting and entertaining picture when he wrote this.
