OMAHAN SETS RECORD WITH \$30,000 FOR HOG.

"Designer" a 500-pound boar has been purchased by D. C. Lonergan of Omaha, Neb., for \$30,000—the highest price ever paid for a hog. Mr. Lonergan has insured "Designer" for that figure. Reducing it to a housewife's viewpoint—that of purchase for eating, "Designer" would have to bring some fancy prices to pay out. For instance, \$10 a pound for ham, \$8.75 per pound for loins, side pork and \$7.50 a pound for shoulder.

Carpenters' local No. 190 meets every Wednesday evening in the Labor hall, 6th and Main. C. E. SOLOMON, Rec. Sec.

In one respect Queen Victoria of Spain is a great trial to her ladies in waiting. Brought up in England, she is a strong believer in fresh air, and insists on having windows open at all hours. This is something almost revolutionary in Spain.

Mrs. Isabella Bird Bishop, well known as a traveller and writer of books of travel, was the first woman to deliver an address before the British house of commons. In the early nineties she was summoned there to tell what she had seen of the Christians in Turkish Kurdistan.

Ayasha, daughter of Ahmed ben Mohammed ben Kadim, a Moor of Cordova, was proclaimed the most learned woman of the tenth century in poetry, mathematics, medicine and the other sciences which flourished at that time.

COMB SAGE TEA INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur. An easier way is to get the phur recipe at home, though, is ready to use preparation improved by the addition of other ingredients costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youth full appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it is done so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes dark, glossy, soft, and luxuriant, and you appear years younger.

The bridal wreath is usually formed in Germany of myrtle branches; in America, England and France, of orange-blossoms; in Italy and Switzerland, of white roses; in Spain, of red roses and carnations; in the islands of Greece, of vine leaves, and in Czecho-Slovakia, of rosemary.
