INTERNATIONAL 8-16 and 10-20 kerosene tractors and P & O tractors 2 and 3 bottom plows, at J. S. Mills & Son, cor. 6th and Klamath. 3-6

Klamath Falls and Vicinity is justly conceded to be the most progressive community ever. We are proud of our business concerns, the large and complete stocks of goods carried; the excellent arrangement of the stores; the quality and variety of goods handled; the effort and expense every business displays, to give the best service possible—nowhere can people get better service or receive more special attention than right here in Klamath Falls. If you don't believe it you should try some of the other cities, under present conditions. For example, the Link River Battery Station at 7th & Klamath Ave. have one of the best equipped Willard Storage Battery service stations on the coast, and by far in advance, with any comparative size city. Automobile owners are assured the best of service, regarding their electrical equipment, on their cars, there being an expert on storage batteries and another expert on repairing starters, generators, wiring, etc. Still another expert to inspect, test and fill your batteries with distilled water. No expense has been spared in selecting, planning and arranging the building or providing the latest instruments, tools and equipment to produce efficient work, and procuring the best trained experts in their respective lines as mechanics, which is bound to give the motor public service unexcelled anywhere. Right here in Klamath Falls.

A Man's Drink

Labor does the real work of the world—work that calls for steady nerves, a clear brain and Folger's Golden Gate coffee at every meal—two or three cups of it, too.

Different in taste from other coffee and better.

Remember the brand—Folger's Golden Gate.

NOTICE TO THE PUBLIC

We have endeavored during the last three years to keep down the prices to the patrons of the Barber Shop.
During this time we have granted three salary raises to the journeymen barbers in order for them to exist under the rapid increase in the cost of living.

The cost of doing business to the shop proprietors has advanced nearly five-hundred per cent and in order for us to continue to give the same class of service, and exist, it has compelled us to raise the following prices:
Shave, 35c; hair cut, 75c; plain shampoo, 65c; razor honing, \$1.00; shaving out of the shop, \$2.50; baths, 35c. Effective April 5th.
Barber Shop Proprietors.
