PERSONAL MENTION

Mrs. Beulah Morrow of San Francisco is the latest addition to the staff of the White Pelican hotel. She will act as assistant to James Milne, resident manager, and assist in handling the office and attend to the stenographic work. Mrs. Morrow is an experienced hotel woman, having been with the Fairmont and Washington hotels in San Francisco and the Hotel Lincoln in Stockton, among others.

John Hamilton left this morning for Corning, Cal., where he has become interested in the establishment of a box factory. Mr. Hamilton has disposed of much of his local property lately to strengthen his investment in the Corning venture. Mrs. Hamilton is still in this city.

T. W. Billings, manager of the Chiloquin hotel, is in the city on business connected with the improvement of the hotel there. He is making plans for building twenty-five additional rooms to take care of the increased business.

The senior class is practicing on a play to be given April 23, entitled "All of a Sudden Peggy."

Earl White, who resided in Klamath county for a number of years, came in on last night's train for a visit with his parents, Mr. and Mrs. W. White.

Mrs. Lawrence Horton of Olene is in the city today shopping.

Mrs. Grant Fouch is visiting her son, Roy, at Mare Island.

C. J. Talmán, machinist for the Southern Pacific, has gone to Dunsmuir to reside.

James Watkins, Jr., left this morning for the new mint farm at Odessa. He is supervising the farm.

Mr. and Mrs. O. W. Cooley are the happy parents of a baby girl, born Easter Sunday at the Underwood apartments.

Earl Wilkins has moved with his family to Odessa, where he will be employed on James Straw's stock ranch.

Members of the Oregon Glee club and friends had a pleasant dancing party at the White Pelican hotel after the concert at the opera house last night.

WRECK INTERFERES WITH CONFERENCE

A wreck that blockaded a tunnel in the Siskiyou was responsible for the delay of the local train, which did not arrive until 3 o'clock this morning, and likewise upset the plans of the interchurch conference, in session today at the Presbyterian church. The stereopticon slides did not arrive. They were counted on as a great feature. Two of the five members of the team assigned this city did not get here. The Rev. H. G. McPike, Rev. C. E. Dunham and Mrs. D. C. Kellems of Eugene, came and the morning session of the conference was marked by good attendance and splendid speaking. Mrs. Kellems gave a noon address to the students and faculty at the high school.

At least one of the missing members is expected on tonight's train and the session tonight will be the best of the day, it is expected. All interested persons are urged by local religious workers to attend the meeting, which is seeking to advance a unified movement that would place Christianity above creed.

CITY REGULATES TIME

TOLEDO, Ohio, Apr. 6.—Toledo's clocks were turned ahead one hour on March 28, under an ordinance passed by the city council.
