TWO MILLIONS FOR NORTHERN CAL. ROADS

SACRAMENTO, Cal., Apr. 12.—Highways planned, building and already completed in Shasta, Siskiyou, Modoc, Lassen and Trinity counties will total 633.51 miles and cost \$2,170,951, a statement from the state highway commission said.

The Northern Counties association of which these counties are members submitted to the highway commission recently an elaborate road building program and the commission's statement was to show what already had been accomplished there.

A measure now before the Maryland legislature would give the women of that state the right to vote for vestrymen of the Episcopal church.

The Strike of the Switchmen

TO THE PUBLIC:

Strikers who have not returned to work are being replaced by new men. This work will be swiftly and vigorously followed until normal service is restored.

The strike was without notice to the railroad. It is not authorized by any railroad brotherhood. It violates working agreements, violates the rules of the brotherhoods to which the men belong, and violates the law of the United States (Section 31 Transportation Act of 1920).

It is in defiance of the orders of the railroad brotherhoods' executives and has neither the sympathy nor support of the overwhelming majority of railroad employees.

New men will be given senior rights in order of employment. Wages are sixty-four cents an hour for eight hours' work a day and ninety-six cents an hour for overtime. Good board and lodging are arranged for at the job. Protection assured.

Apply to Superintendent, Room 32, Second Floor, Union Station, Portland.
