Why Do We Offer You

EATON'S HIGHLAND LINEN

THERE is a very good reason why we offer this paper in preference to others. YOU are the chief reason. We offer it knowing that it is of the quality YOU will like—because it reflects the tasteful style of envelopes and choice of tints YOU would approve, and last because it is a paper that is YOU to your friends.

When you are passing our way, come in and see some of the new tints and envelope shapes.
