S. O. Dearing left a few days ago to bring back a new engine for the Strahorn railroad.

Jim Summerville is in the city from Rogue River valley trying to sell real estate. Wonder if he expects any one to go from here to there.

Mrs. Cora Enman of Lone Pine district spent yesterday in Klamath Falls on business.

Mrs. Charles F. Stenwell left this morning for a visit with relatives and friends in Milwaukee, Chicago and other eastern cities.

Mrs. Carl Plath and daughter, Corinne, returned last night from a four months' visit with friends and relatives in Los Angeles.

D. J. Foley of Grand Junction, Iowa, who has been spending the winter in San Jose and Los Angeles, is here for a few days visiting his sister, Sister Ligouri of the Sacred Heart Convent, before returning to his home in the east.

Mr. and Mrs. Richard K. Hannon

returned last night from Rochester, N. Y., where they have resided since Mr. Hannon's discharge from the navy a year ago. They were both delighted to again be back in Oregon.

Blain Klum of the Klum Adv. Co. is in the city today from Medford.

DANCE TONIGHT TO WIP OUT FOOTBALL DEFICIT

High school students, chaperoned by the Parent-Teachers association are giving a dance at the White Pelican hotel this evening. Admission is \$1.00 a couple and the fund raised will be used to help wipe out the deficit that followed last football season. The local team ended the season a couple of hundred dollars to the bad and have a note outstanding for the amount. A good many invitations have been issued for tonight's affair and the students are anxious to make the affair a good one. Good music has been secured and a good time is assured.

OIL AND POLITICS MIXED IN VISIT

Captain E. L. Smith, president, E. N. Mayer, manager, M. G. McCorkle, director, and J. W. Wright, an associate, all representing the United States Oil and Gas company, an Oregon corporation, are here on business. This company is well known in this state, operating in conjunction with the Midwest Refining company, a subsidiary of the Standard Oil company.

Dr. McCorkle is one of the well known physicians of Portland. He has visited Klamath Falls before and has many friends here who will be glad to welcome him and tell the doctor that the big stories he has been hearing of Klamath Falls are real facts and not boom talk. Captain Smith is one of the boosters of Corporation Commissioner Schulderman, who is seeking the Republican nomination for the office of secretary of state and he will undoubtedly find that the commissioner has a host of supporters in this section, for he has made an enviable record in the management of his present office.

The party will be in the city for a few days.
