Did You Know this is Baby Week?

"My Muvver bought me a new LLOYD Stroller and is going to take me out every day to enjoy the lovely sunshine. No doctor's bills for me or nasty old medicine. Just as soon as my mother learned that Mr. Johnson had been made agent for LLOYD WICKER BABY CARRIAGES she telephoned right down and got mine and because he bought them in big numbers right from the factory, she got mine much cheaper—less than it would have been a year ago."

We are the exclusive agents for LLOYD'S STROLLERS. This baby carriage has reversible gears; also delicately adjusted springs to guard the baby's spine from shocks. We have ten styles in stock.

MISS DAY LEAVES TOMORROW

Miss Blanche Day, who has been at the Baldwin Hardware Store during the past week, demonstrating Chi Namel, will complete her mission in this city tomorrow. During her stay here she has done a splendid work formation immediately. for her company as well as a direct service to the housewives and home owners of the city, in telling and showing them what really wonderful results can be secured from the intelligent use of Chi Namel. Those fortunate enough to have visited with Miss Day were well repaid by the fund of useful information they gathered and those who have not called on her should do so before she leaves. They will learn how to make the old, and rough, and dingy woodwork and furniture look like new and at a cost so small as to be insignificant.
