LEE Tires

"Smile at Miles"

Gluttons for Punishment

Lee Tires ask no favors of the road. On rough country roads their tough treads travel almost unharmed over sharp and jutting points that would tear the heart out of less sturdy tires. On paved streets and boulevards Lee Tires wear down surprisingly and pleasingly slow. If you knew how to make tires and none but the best would satisfy you, the Lee Tire is the kind you'd build. So thoroughly good are Lee Tires that you'll get an entirely new idea of tire mileage and satisfaction from the first one you try. Let us show you why.
