YALE TO HAVE HEALTH BOARD

NEW HAVEN, Conn., May 5.—The health and sanitary safety of under-graduates of Yale university hereafter are to be guarded by a university board of health patterned after those of large cities. The board will make sanitary and health regulations for the control of the students, will undertake personal supervision of their health and help them to keep it at a maximum.

Dr. J. C. Greenway and a staff composed of medical assistants, a sanitary inspector and two surgeons will do the actual work under the direction of the new board of health. One of these surgeons will have the special care of students injured by participation in athletics.

All students who return to Yale university next fall will be expected to undergo a medical examination to enable them to enjoy the benefits of supervision by the university health board. No student will be eligible to compete in organized athletics until he has been found to be physically qualified and notice to that effect has been given to the University Athletic association. To obtain this cer-

tificate the under-graduate is required to comply with rules and regulations to be established by the new health board. There will be strict sanitary supervision of the swimming pool, wrestling mats and other equipment in common use; also bacteriological examinations of water, milk and ice cream used in the dining hall. Communicable diseases which may affect students will be traced to their sources. Those suffering from physical defects will receive corrective training.

Unusual Value---In Tires for the Smaller Cars

Not only is characteristic Goodyear merit conspicuous in Goodyear Tires for the smaller cars, but ordinarily the first cost is found to be not greater than that of other tires; often it is actually less.

The combination of unusual value in first cost and very low final cost, of course, is a result of Goodyear experience, expertness and care employed as insistently in the making of 30x3-, 30x3½- and 31x4-inch tires as it is in the construction of the famous Goodyear Cord Tires used on the highest-priced automobiles.

For this reason more cars using these sizes were factory-equipped last year with Goodyear Tires than with any other kind.

Get this unusual tire value to enjoy on your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at the nearest Goodyear Service Station. Get these tires and Goodyear Heavy Tourist Tubes at this station.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread.....	\$23.50	Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag	\$4.50
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread.....	\$21.50		

GOOD YEAR

DIVING THIEF RORS RAMONA'S SPRING

SAN DIEGO, Cal., May 5.—A thief dived to the bottom of the wishing well at Ramona's marriage place at Old Town, near here, recently and took the accumulated horde of pennies and silver, amounting to about \$40, that have been dropped there

by seekers of luck and good fortune, according to the proprietor of the historic place. Here is the ancient motto that hangs over the well: "Quaff ye the waters of Ramona's well; Good luck they bring and secrets tell. Blest were they by a sandaled friar,

So drink and wish for thy desire." Thousands of tourists each year sip the water and drop coins in homage to the good luck spirit that is supposed to inhabit the well. One hundred and fifty years ago, when Brazilian stones were poured on the market, first quality diamonds sold as low as \$5 a carat.

IF YOU PAY A CHEAP PRICE, You'll Get Cheap Clothes

Independent of price be sure first of all that the clothes you buy this Spring are all wool—GOOD all wool at that. Be sure that the other materials are in keeping—that the workmanship is all it should be—don't buy ANY OTHER kind of clothes at ANY price.
