"Ted" White, who has had 30 years of experience as manager and performer in vaudeville, has been sent to San Francisco by the management of the Mondale theatre to complete arrangements with managers of two leading circuits to secure their vaudeville acts and pictures for the local theatre.  
It is Mr. White's intention to get the high class acts. He has an appointment with the manager of the Pantages circuit and also with the Loew Brothers circuit, and expects to conclude arrangements that will permit starting local vaudeville within the next two weeks.  
The Mondale stage is being remodeled and will be in readiness when the first troupe arrives. The front of the building is receiving a fresh coat of paint.  
V. B. Keese is to remain manager of the theatre and will have charge of all pictures booked.

The game of billiards is all the rage among English women at present. London has scores of billiard halls that cater exclusively to the patronage of the feminine cue devotees. These parlors are equipped with green-cloth tables of regulation size, except that they are slightly lower than the usual table for the better convenience of the women players.

#### MOOSE BENEFIT DANCE, MAY 7

The Moose lodge of Klamath Falls is to give an entertainment and dance on Friday evening, May 17, at its hall. This will be a benefit entertainment, the proceeds going to the widow of a deceased member, who, with her little family, is in destitute straits in Canada.  
A special attraction will be interpolated during the evening's dancing, by the girl students of the high school, who will repeat their dancing and aesthetic exercises, given a short time ago before a large audience at the opera house.  
A committee of Moose is working hard to make the affair a success, and the advance sale of tickets is very gratifying. The music will be provided by the Moose jazz orchestra, which is an assurance of success. The entertainment committee is as follows: Will Lee, chairman; George Ogilvie, R. H. Sewell.
