ITALIANS WELCOME RETURN OF WAGNER

ROME, April 16, (By Mail).—Wagnerian opera has returned to the stage of the Costanzi theater in Rome without a protest. "Die Walkure" was advertised as the second offering in a season which opened with Mascagni's "Iris." No criticism of the plan to produce the German opera appeared in the press. The theater was crowded and no objections interfered with a performance which the press of Rome commended highly.

"It is a strange coincidence that Richard Wagner again walked across the stage of the Costanzi at the same time Austrian children came into Italy by the thousands to escape the hunger and privations of their unhappy country," one of the Rome papers commented. For many months Wagnerian music has been used at concerts in Rome and other Italian cities, especially in Milan and Bologna, without objections from the press or the public.

WEATHER RECORD

Hereafter the Herald will publish the mean and maximum temperatures and precipitation record as taken by the U. S. Reclamation service station. Publication will cover the day previous to the paper's issue, up to 5 o'clock of that day.

Table with columns: Date, Max., Min., Precipitation. Shows weather data for May 1 through May 9.

PHILMING OLD WRECKS

ABERDEEN, Wash., May 7.—"Sea stuff" films are being made frequently by California moving picture companies at the wreck of the schooner Janet Carruthers, which piled up on a Grays Harbor beach about a year ago.

Beautiful ladies are being "rescued" every week from the wreck's cabin, curly haired heroes risk their lives, often jumping into waist deep breakers, and "captains" are sticking with the old Carruthers to the last bitter "fade-out."

ANOTHER NURSE PRAISES TANLAC

Sixteen Years of Stomach Trouble Overcome And She Gains 20 Pounds.

Mrs. Alice Minnick, who has been a professional nurse for thirty-six years and resides at 1815 Twenty-third Ave., Seattle, Wash., adds her voice to the hundreds of others in this profession who have already indorsed Tanlac.

"Since I began taking Tanlac I have not only gained twenty pounds in weight, but for the first time in sixteen years I am free of pain and enjoying good health," stated Mrs. Minnick. "I constantly had cramping, gnawing pains in my stomach all these years, my appetite was extremely poor and the little I did eat would get so bad I could hardly stand them. I became badly run-down, lost weight and strength, and felt so tired and worn out all the time I could hardly get around. I had pains in every part of my body just about all the time, but they were especially bad in the small of my back. I also suffered with severe headaches and dizzy spells, and my nerves were so badly upset I could get but little sleep, often lying awake all night long.

"I had heard so much of the good Tanlac was doing others I decided to try it myself, and it proved to be the very thing I needed. I began to improve right away. It was only a few days before my appetite returned and I can now eat anything I want without having a particle of trouble afterwards. Those terrible gnawing pains that had troubled me so many years have entirely disappeared. I never have a headache or become dizzy, and the pains that were throughout my body have all gone. In fact, my whole system has been built up by Tanlac. I have regained my strength so I can do my work as a nurse, which keeps me on my feet for hours, day and night, without a particle of trouble. Several of my patients have taken Tanlac, and it has proven beneficial in every case. After what Tanlac has done for me I can never say enough for it."

Tanlac is sold in Klamath Falls by the Star Drug Co., in Lorella by the James Merc. Co., and in Merrill by the Southern Oregon Drug Co. Adv.
