

"I can trust my georgette lingerie to my wonderful Thor!"

So says a woman who owns one. "And baby's finest clothes, his soft flannels, lacy under-things—all go into the smooth maple cylinder. And after a few minutes of surging, tossing and chugging in the foamy suds, out they come—so clean! And as carefully handled all the while as though I had washed them by hand. Indeed, I find they actually last longer than with hand laundering!" And you'll find all this true—and you'll save time and weariness and pretty hands as well!

The Thor is different from any other electric washer. Ask to see it. And learn about the easy payment terms.

"BOBBING" CRAZE PAST IN LONDON

LONDON, April 27. (By Mail).—The fashion of cutting women's hair short is waning and scores of short-haired women are searching West End hairdressing shops for locks with which to replace those of which they were shorn a few months ago when the "bobbing" craze was at its height. This has created an abnormal demand for hair of all colors. Possessors of rich auburn or pure white locks of suitable length can obtain \$12 or \$15 by submitting to the "bobbing" operation.

There is some irony in the fact that many London women who paid five or six shillings a few months ago to have their hair "bobbed" and left the tresses with the hairdresser, not knowing they might have received money for them, are now spending anxious hours in other shops in an often futile "matching up" endeavor.

GERMANY TO RENEW CHINESE RELATION

PEKING, April 18. (By Mail).—The German government has made advances for re-establishment of commercial and diplomatic relations with China. The German government is said on good authority to have assured China that notwithstanding her refusal to sign the peace treaty, Germany is willing to

Everyone Should Drink Hot Water in the Morning

Wash away all stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify, and freshen the entire alimentary tract before eating more food.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

recognize all clauses in the treaty according privileges to China. On the other hand Germany indulges the hope that China will refrain from confiscating any German property in China.

SAWS WAY FROM JAIL WITH NEEDLE

RAWLINS, Wyo., May 15.—With a needle obtained in the prison shirt factory as his only tool, Bert Lofton has escaped from the state prison here. William Smith, his companion was captured while trying to scale the prison wall.

Lofton and Smith were confined to the death house cell because of their known desperate character. Lofton found that a soft piece of steel covered a drain. With his great patience and skill, he slowly cut a hole through the steel with the needle. After removing a pipe and a plate they crawled through the hole, picked the lock of a steel door connecting with the main corridor of the prison, scaled the tiers of cells, cut holes through the slate roof and

dropped to the ground. In the prison yard, they found a steel bar, which the prisoners bent into a hook, to fasten an improvised rope of the prison wall.

Lofton escaped but Smith was caught by a guard.

The first open-air boxing show of the season at Detroit is billed for May 19, when Johnny Dundee will meet either Benny Valger or Jack Lawlor.

From the way the baseball season has shaped up so far no team in either the American or National league will be able to make a run-away race for the pennant.

Pilot Walter Cox, of Grand Circuit fame, is banking on The Laurel Hall, son of Peter the Great, 3:07 1/2 and Baby Bortha 2:04 1/2, a pair of fine looking two-year-olds.
