

MEETING SEASONABLE AND REASONABLE NEEDS

THAT is a bank's obligation to community and to customers. But, the possibility exists for the loanable funds of a bank to become tied up at a time when most needed—unless there be a safe and sure outlet for its securities.

And that is exactly the advantage made possible at the First National Bank by our Membership in the Federal Reserve System.

WANT TO PUT BAN ON TIPPING HABIT

LONDON, April 24. (By Mail).—John Hodge, a Labor member of parliament, has declared himself as opposed to tipping and says British workmen would like to see an end made of the custom. But the onus, he adds, is on the employer, not the employee. "Today, with the readjustment of wages and all workers in receipt of a living wage, there is no excuse for tipping at all," said Mr. Hodge. "Probably the greatest move forward would be for the government to make tipping illegal, punishing both the tipper and receiver."

The first woman certified public accountant in California is Miss Bertha L. Aldrich, of Los Angeles, who has just received the C. P. A. license to practice.

OLCOTT BACKS LEGION DRIVE FOR MEMBERS

SALEM, Ore., May 18, (Special).—In recognition of the impending national campaign for 1,000,000 new members for the American Legion—of which Oregon's quota is 40,000—Governor Ben W. Olcott yesterday issued the following proclamation:

State of Oregon
Executive Department
Salem, Oregon

TO THE PEOPLE OF OREGON:
My attention has been directed to the fact that during the week from May 17 to May 22, inclusive, the American Legion will carry on a drive for new members. This is to be a nation-wide drive, in which it is expected that over a million new members will be enrolled, bringing the strength of the organization up to two and one-half million. This is an object which I trust may be carried out to a highly successful conclusion in Oregon, as well as in the nation at large.

It is a matter of pride on the part of every good American citizen, whether or not he was in the service during the late war, to see the millions of young Americans returning to civic pursuits and joining in an organization which has for its sole object and purpose the upbuilding of the welfare of the entire nation. It has been apparent during the life of the American Legion that it is an organization built not only on soundest lines of patriotic endeavor, but that it is an organization made up of men who are earnestly and determinately carrying out the principles of the constitution and the laws of the United States and of the constitution of its own order.

The American Legion has functioned long enough to show, beyond the shadow of a doubt, that it is to be a wonderful power for good throughout the land. For that reason all American citizens will be glad to see it grow in membership and to flourish.

It is with pleasure that I may lend the endorsement of this office to the plan of "American Legion Week" when, during the dates I have mentioned, the mighty membership movement is to be put forward. I earnestly urge all Oregonians who have the welfare of their country and their state at heart to give such assistance and co-operation to the men of the American Legion as will aid them in making this movement the magnificent success it deserves to be.

Very sincerely yours,
BEN W. OLCOTT,
Governor.

Klamath Post, No. 8, at its regular meeting last Tuesday evening laid plans for vigorous co-operation in the state campaign for membership, and expects to add many names to its muster roll this week.

AT THE THEATERS

A masterpiece of Maurice Tourneur's directorial genius is "The Broken Butterfly," a screen dramatization of Marcene, Penelope Knapp's famous story, released by Robertson-Cole as a special.

Mr. Tourneur has, with a sure grasp of essentials and a sympathetic brush, delineated in glowing pigments an idyll of love and pathos of surpassing beauty.

"The Broken Butterfly" is an intensely human and absorbing story which has lent itself readily to transformation to the screen. It permits of artistic handling, and in its finale develops a tremendous psychological and emotional appeal.

The preliminary scenes in the rugged reaches of the Canada woods, where meet for the first time the handsome young composer and the lonely wail, Marcene, who has never known a friend, and who finds her true knight in the admiring and thoughtless musician; the gaiety and color of the carnival in the Riviera, with glimpses of the blue and sunlit Mediterranean; the shaded pathways framed by laurel and palm, and the smiling throng of merry-makers on marble stairways and cool quadrangle, are happily contrived as fitting background for the saddened steps of the remorseful composer who cannot forget the dream love of happier days.

No more touching interpretation has been given the screen than Lew Cody's masterful and sympathetic handling of the composer who erred through excess of love and thoughtlessness.

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR TO BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

STATE ROADS

Vote 302 X Yes For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes CONSTITUTIONAL AMENDMENT—Referred to the people by the Legislative Assembly

303 No LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS—Purpose: To amend Section 2 of Article XI of the Oregon Constitution to read: "The amount of the bonded indebtedness of the State shall not exceed four per cent of the assessed value of the taxable property in the State. The bonds of the State shall be issued for the purpose of providing for the construction, improvement, maintenance and repair of the State highway system, and for the purchase of land for the same. The bonds shall be sold at a price not less than the market value of the same as determined by the State Treasurer at the time of their sale."

NO PROPERTY TAX—NO DIRECT TAX NO INCREASE IN AUTO LICENSE FEES NO INCREASE OF GASOLINE TAX

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless limit is increased, either state roads cannot be completed for many, many years, or must be financed by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenue from auto license fees and gasoline tax, without increase of present rates, will be sufficient to pay both principal and interest on these bonds, is set out in Exhibit A, attached to the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for vote facts. Examine the table carefully. It proves that no property tax is required and that present rates for auto license fees and gas tax will reduce principal and pay interest on the bonds.
