MRS. A. L. WILDRICK, of Los Angeles, Calif., who says she had to spend half her time in bed and could not get relief until she took Tanlac. Declares she now feels as well as she ever felt in her life and that she has gained fifteen pounds in weight.

The following remarkable statement was made recently by Mrs. A. L. Wildrick, a well-known and highly respected resident of Los Angeles, Calif., living at No. 222 North Alvarado Street. Mrs. Wildrick is 69 years of age and is the mother of seven children. Her photograph appears here.

"For the past year or more," said Mrs. Wildrick, "I have been in very poor health. I suffered principally from chronic indigestion and my condition was so bad I had to spend half of my time in bed from sheer weakness. In spite of all the medicine I took I could not possibly get any relief and I became so nervous and unstrung that at times I could hardly realize what I was doing. I just had no appetite and suffered terribly nearly all the time with indigestion and was really in a very bad way physically. If I did eat a little something I would always have a miserable, distressed feeling afterward and I tell you I was going down hill pretty fast.

"Well, I just can't find words to tell you how really bad off I was and also to tell you what Tanlac has done for me, for I feel as well now as I ever felt in my life. Why, after taking only three bottles of this medicine I have actually gained fifteen pounds in weight and everyone tells me I am looking better than in years.

"Since I have been taking Tanlac I have found out that several of my intimate friends are also taking it and everyone of them are delighted with it. I am surely glad to recommend Tanlac and help spread the goodness of this medicine. Yes, I want you to use my photograph too, so that all my friends may see how well I am looking. Anyone who could see me now after seeing me only a few weeks ago would be convinced that Tanlac must be a wonderful medicine."

Tanlac is sold in Klamath Falls by the Star Drug Co., in Lorella by the James Merc. Co., and in Merrill by the Southern Oregon Drug Co. Adv.

The plant, which has been in operation here the past two years making hospital equipment and other metallic furniture, is planning a preferred stock issue and expects to acquire the property it is now on and erect a new building.

DEWEY'S HOME TO BECOME STORE

WASHINGTON, May 21.—Admiral Dewey's former home, gift of the American people for his victory at Manila Bay, is being remodeled into a store, having given way to a number of other historical residences, to the spreading commercial section of the city. The Dewey house, at 1747 Rhode Island avenue, just off Connecticut avenue, was disposed of some years before Admiral Dewey's death.

The city's commercial expansion is gradually moving northwestward along Connecticut avenue and has passed beyond the British embassy, which now finds itself amidst a group of fashionable shops. The historical old Coreoran mansion and the wisteria-clad John Sidell house, with their old fashioned gardens and high brick garden wall, soon will be razed for a modern building for the chamber of commerce of the United States of America.

Among historical mansions holding out against the march of commercial expansion are the famous Octagon house, residence of Colonel Taylor, which was occupied a year by President Madison after the White House was fired by the British in 1814.

TWIN EGGS LAID

GOLD HILL, Ore., May 21.—Twin eggs, nearly normal in size, were laid by a hen on the ranch of C. D. Morgan near here recently. They were joined by a narrow length of shell, and are being preserved for exhibition at the state fair this fall.

Louisiana planters realized \$50,000,000 from their rice chop last year.

So far as known, no hen heretofore has laid two eggs in one day, nor any such freak ever been seen before.
