

Taylor's Singing Band Is Coming

Chautauqua Presents Splendid Company on Fourth Day

Taylor's Singing Band brings to Chautauqua two of the big musical programs of the week on the fourth day. For several years they have been heavily featured in the East and are recognized as one of the genuine musical successes of the platform. This splendid organization is a singing band with a program of unusual variety. They have ensemble seldom found in organizations of twice their size. They all possess fine voices and are masters on their many band instruments. The best in the musical library is to be found in their programs, balanced with lighter music and popular airs. Their two programs are of such excellence and variety that whatever your musical taste may be you will be genuinely surprised and pleased. Tom Corwine, intangible entertainer, will add to the joy of the day by appearing both afternoon and evening.

COLORED KIDDIES JOURNEY BY EXPRESS

DENVER, Colo., May 26.—Two express "packages," each consisting of a little negro boy, recently passed through Denver en route from Topeka, Kansas, to Ogden, Utah. Orville Skaggs, eight years old, was package No. 1, while his brother, Lester, six years old, was package No. 2.

peka, decided to send them to their father who is living in Ogden. She decided to forward them by express and, since the company accepts animals of all kinds for transportation, the officials decided that the boys could be accepted.

The company suspended one rule governing the shipment of live animals, however, which undoubtedly added much to the boys' comfort. That rule requires the crating of all animals sent by express.

The boys, though, saw to it that another rule, which provides that animals must be fed at all junction points and wherever else it may be necessary was not suspended.

Big Value in Tires for The Smaller Cars

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag..... \$4.50
