JEW'S DEMAND RESTORATION OF THE HOLY LAND

LEEDS, Eng., May 1. (By Mail).—British Zionists are demanding, now that Great Britain has received a mandate in Palestine, that the British government fulfill its promise to restore that country as a national home for Jews. Some of them betray some apprehension that the Arabs to Palestine may prevent full realization of the Zionist hope.

"We want to begin our great work," says the Rev. J. E. Goller of Leeds. "We are ready to provide money—£20,000 or £100,000 is nothing once we are sure of our position—and to arrange for the emigration of Jews not only from England, but from Poland and elsewhere to Palestine."

"We must know definitely if the British government is going to stand by its promise, or betray the soul of the Jewish people? The promise was distinctly that of a national home, which means, ultimately, a Jewish state in Palestine."

"There has always been drawn across the course of Jewish nationalism the red herring of Pan-Arabic ambitions. We declare that we are prepared in Palestine to deal justly, fairly and generously with the Arab problem, but for the Arabs to want Arabia, Mesopotamia and Palestine as a triple Arab kingdom, ere they have proved their capability of governing a single autonomous unit, is tragically absurd."

"If our fears prove to be well-grounded that what shall be flung to us will be but the shadow of a bone, then there is a great section of us, of which I am the least earnest, that will raise the cry: 'To your tents, O Israel!' and we shall leave the Jewish problem to be solved by a future and better age, one which shall recognize, if this age does not, that the problem of the Jew in the world is the acid test of civilization."

CHINESE BOYCOTT JAPANESE GOODS

MANILA, P. I., April 26. (By Mail).—The Philippine citizenship bill passed by the last legislature has been signed by Governor General Harrison. A section of the act which permits the acquisition of Philippine citizenship by Orientals who are specifically barred from becoming citizens of the United States must be approved by the President of the United States, before it can become a law.

This would allow Chinese and other Orientals who are domiciled in the Philippines at present to gain citizenship, but would not permit the importation of Chinese labor into the islands.

On account of the scarcity of labor in the sugar cane and rice fields of the Philippine Islands there have been several attempts to pass through the legislature a bill to allow the importation of Chinese laborers, but these attempts have failed so far.

A prohibition movement, which aims to make India dry by gradual stages, and uniting leaders of Mohammedanism, Hinduism and Christianity, has been initiated in India as a result of the Reform Bill which handed over the Department of Excise from British to native control.

Don't Be Content With "Hobson's Choice!"

More than a hundred years ago, Toby Hobson of Cambridge kept the only horses for hire in town. But his customers had no choice save to take the horse nearest the door, whether little or much to their liking.

So "Hobson's Choice" has come to mean: "Take this or none."

Today, through the advertisements in this and other papers, you have all the world to choose from. Yes, through Advertisements, the world comes to your door with its wares. Advertisements give you the opportunity for comparison and selection of almost anything you want or need.

Advertisements are an accurate index of what other people are buying, selling, wearing, eating, doing, learning; of what the world is accomplishing and how, where, and by whom it is being accomplished.

Form the habit of reading advertisements just as regularly as you read the front page. You will find it profitable and mightily interesting as well.
