

A Smashing Blow Will Be Dealt High Cost of Living Right at a Time When Everything You Wear is Going Up!

THE WOMAN'S STORE

Announces a Monster Sale to Unload, June 2nd to 5th

READ WHAT THIS SALE MEANS TO YOU

Here is a ray of sunshine for every person and family, coming as it does, right at the approach of the Spring and Summer season, and right at a time when still greater advances and higher prices will be asked for everything you use and wear. The general public of today is well aware of the many shortages in various lines of merchandise—and of the fact that prices have been going higher and higher every day. There are at present no indications that prices will be lowered, but it is predicted they will go higher than ever before known in the history of America. We bought our merchandise before the many advances in price, and are in a position to sell to the public for less than any merchant could buy the same goods for at wholesale today. You should appreciate the importance of this sale and
