

FIRST AS USUAL

Just What You've Been Waiting For

It will be a sacrifice to us—the wholesale market does not warrant any reduction sale—but in conformity with the leading stores of the country we can do no less for our best friends; the army of workers, in this community; than make another effort to
BRING DOWN THE HIGH PRICES

THIS SALE IS CASH ONLY

This store has been a public serving institution for 14 years. Business built on service and the best merchandise and makes to be had

There are some lines where our discount will be greater than in others. Where stock is broken or bought at prices less than this season we'll give you a greater reduction than advertised.

Remember our regular prices have always been under market prices. With the great assortment and quality we show this is an opportunity for you to save.
