

## ANNOUNCEMENT

On Monday, June 21st, we will take over the stock of Roberts & Whitmore and same will be run on a strictly cash basis, all prices will be changed in accordance.

The merchandise and prices that will be offered to the public will convince one and all that cash is the right way to buy.

We are more than pleased in the way the people of Klamath Falls have expressed themselves in regard to a cash store. It seems that the time is ripe for such a store. The people are satisfied that a cash store is more able to sell for less and we are here to show them they are right.

We will, at all times, be glad to figure on your bill and show you where you can make a saving by paying cash.

Not only will we sell for cash but we will pay cash for all eggs and farm produce we buy.

We will make the same delivery as always but on account of the cash basis we are operating on, phone orders will be taken only C. O. D.

## SEEK FRIENDS FOR U. S. IN 19 FOREIGN LANDS

NEW YORK, June 17.—Cultivation of international friendship for the United States will be the purpose of a delegation of 40 ministers who have been appointed to visit 19 European countries this summer as representatives of the Federal Council of Churches of Christ in America. The ministers are of several denominations and include the pastors of churches all over the country.

In explaining the purpose of the Federal Council's "friendly visitors," the Rev. Arthur J. Brown, Secretary of the Presbyterian Board of Foreign Missions, New York and chairman of the Committee on Fraternal Relations of the Commission on Relations with Religious Bodies in Europe, said:

"We feel that such an association of our religious bodies would materially contribute to the success of the League of Nations. We deeply regret that up to this time our own nation has not officially entered into the League. We believe that a large majority of the American people and especially the clergy and laity of our churches, are in favor of the League and earnestly hope that the United States will soon become a member of it. Meantime, we feel that Christian men should make all the stronger effort to develop those moral and spiritual associations between the nations, which are, after all, the things of highest importance."

He said that the sending of these messengers of American friendliness and the extensive relief work promoted by American churches are part of the same expression of their common Christianity in its international application.

Rev. Nebemiah Boynton, of Brooklyn, has been chosen chairman of the American delegation to the preliminary conference at Geneva, where a plan will be perfected for holding the Ecumenical Conference.

Among those who will make the trip are: Rev. W. B. Beauchamp, Bishop James Cannon, Nashville,

"I AIN'T MAD AT NOBODY"

### Verb Vagaries

"I fly to thee, love," and with rap-  
ture he flew.  
"I cry to thee, love," and with pas-  
sion he crew.  
"Oh- try me, dear love,"—(a few  
others had trew!  
"Let me tell thee' sweet love, all  
there is to be told,  
How thou dwell'st in this heart"—  
some others had dwoled),  
"Oh, my heart swells with love"—  
(as before it had swoled!)  
"Oh, shake not thy heart, love"—  
his pleading voice shook;  
"Oh, wakes not thy heart? Has thy  
heart never wooed?"  
But her mien made him quake, so he  
stood still and quook!

"Thy presence I fly," he cried, and  
he flew.  
But fell on the step, and lay still as  
he flew;  
With closed eyes he said, "I shall  
die," and he dew!"
