BIG EATERS GET KIDNEY TROUBLE

The American men and women must guard constantly against kidney trouble because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out. They weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times a night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

REVENUE BUREAU WILL COLLECT DELINQUENT TAX

PORTLAND, June 21.—The following statement is issued by Collector of Internal Revenue, Milton A. Miller:

"In this, as in every other section of the country, there will be conducted during the next two months an extensive tax drive for the collection of delinquent sales and other miscellaneous taxes, such as the so-called luxury tax, the soft drink tax, the admission tax, the manufacturer's tax, the tax on jewelry and works of art to the tax on toilet articles and proprietary medicines. Reports of laxity on the part of dealers and other persons responsible for the return and collection of these taxes have reached the bureau of internal revenue from many sources.

"To remedy this condition, a large force of revenue officers will be put in the field, and it is expected to result in the collection of millions of dollars in delinquent taxes.

"Information from the Sales Tax Unit of the bureau of internal revenue is that many dealers in soft drinks and ice cream either are keeping no record of the amount of tax collections from such sales, or that the record is insufficient or incorrect.

"Special attention will be directed to the collection of this tax as well as to the tax on toilet articles and proprietary medicines. Through the failure of retailers to collect in full the tax of 1 cent for each 25 cents or fraction thereof of the amount for which toilet articles and proprietary medicines are sold, it is estimated the government is losing several million dollars annually. The tax collected by means of stamps ranging from 1 to 40 cents, which the law provides shall be affixed by the dealer, and cancelled.

"It is the intention to conduct a thorough and effective campaign

as possible in such a way as to bring to justice willful violators, and cause no embarrassment to merchants and business men who honestly are endeavoring to comply with the revenue laws."

AT THE THEATERS

Come to the far-away tropics, to the glistening isles of the South Seas, to land of exotic beauty where dwell a people apart, fugitive from all the lands of the earth.

Radiant among the strange rabble of beachcombers, rogues and deserters, of blackbirds, cannibals, missionaries, is Mary, "The Idol Dancer"—beauteous child of the sun, plaything of the sea. Strange gods she worships— forbidden the homes of the righteous because of the lick of her raiment, whisp of tropic grass, beads and a leaf of the fig.

A beauteous boyden is Mary, tender, carressful, loving or hating like the dove or the hawk. Despising the mission girls, capering, dancing, wildly dancing—flashing eyes flaunting the men who would woo her, untill out of the sea HE comes, sot, laggard, insensate, with sin's grip on his virulent manhood.

Strange is the tale of their wooing. Swift, primal clashes of wills, hatred, jealousy, unconscious desire flaring into love of the purest when death would reach for her beauty.

Wild, fierce, relentless, the raiders shed blood in rivers that one of them may possess her. Bitter war rolls o'er the land, tears the sea into ribbons, but out of the conflict comes true love, understanding, redemption. At the Star tonight.
