TONY CAN'T GIVE UP HIS GOOD SHIP "BIKE"

Tony Pizzo, U. S. N., does his sailing on land instead of water. And just to make it a little harder for himself and show the public that he will stick with it "for better or worse" he has been handcuffed and chained to his "better half"—the bicycle. In 1919 Tony made a trip from California to New York under the same conditions. But now, to go himself one better he is on his way from New York to California and back again. Mayor Hylan of New York placed the chains and sealed the locks as Tony departed and will relieve him of his return. Here is Tony as he passed Washington, headed west.

CHEERFUL WORDS

For Many a Klamath Falls Household

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove helpful to hundreds of Klamath Falls readers.

Mrs. S. B. Douglass, 901 Rose St., Klamath Falls, says: "I gladly endorse Doan's Kidney Pills for I know they do all that is claimed for them. They have always been used in our family. My kidneys were weak and out of order and I had a lame and aching back. I felt dull and run down and my kidneys acted irregularly. Doan's Kidney Pills used as directed soon relieved me of the trouble, strengthening my back and kidneys."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get

What Good is a Dollar?

It's largely up to you. It depends on how you spend it—on the value to you of what you get for it—on your ability to find where that value is to be had.

Of course, it's all right to shop around a bit if you like, but why not let the other fellow make it easier for you by doing a little shopping after your dollar—by showing you what you want and where you can get most of it for your money?

It's a great idea, once you get the hang of it, and here's how!

Right in this paper you'll find dozens of advertisements offering you merchandise. Some things you'll need today; some tomorrow; some next week or next year—but the

point is that these merchants are coming to you, looking for your dollar and offering the best they have to get it.

You'll find that by reading the advertisements consistently today and every day, you can increase the value—to yourself—of every dollar you have to spend. The things you see advertised are almost invariably as represented. The advertisers' statements are usually safer to trust than your own judgment. Advertised misrepresentation is business suicide.

READ THE ADVERTISEMENTS AND INCREASE THE VALUE OF YOUR DOLLAR!
