SUMMONS FOR PUBLICATION

No. 1185 Equity
In the Circuit Court of the State of Oregon for Klamath County.
Fred L. Houston, Plaintiff, vs. Daniel L. Gordon and Nellie Gordon, husband and wife, C. N. Gordon and Lucy I. Gordon, husband and wife, Rebecca Jane Gordon-Pratt, widow, Laura Sherman-Hess, and A. H. Hess, wife and husband, Sykes Hamaker and Ethel Hamaker, husband and wife, George Sherman and Leonard Sherman and Fannie Sherman, husband and wife, heirs at law of Sarah A. Gordon, deceased; and the Unknown Heirs at Law of Sarah A. Gordon, deceased. Defendants.

In the name of the State of Oregon: To Daniel L. Gordon, Nellie Gordon, C. N. Gordon, Lucy I. Gordon, Rebecca Jane Gordon-Pratt, Laura Sherman-Hess, A. H. Hess, George Sherman and Sherman, his wife, Leonard Sherman, and Fannie Sherman; and to the unknown heirs at law of Sarah A. Gordon, deceased: You and each of you are hereby required to appear and answer the complaint filed against you in the above entitled suit, on or before July 26, 1930, that being the last day of the time prescribed in the order for publication of this summons. And if you fail so to answer or appear, for want thereof, the plaintiff will apply to the Court for the relief prayed for in his complaint on file herein, to-wit:

First. That the defendants and each and all of them be required to set forth the nature of their respective claims to the hereinafter described property and each and all of their said claims, if any they have, and that all adverse claims of the defendants, and each of them, be determined by a decree of this Court.

Second. That by a decree of this Court it be adjudged and determined that the defendants and each and all of them have no right, title, interest, or estate in and to the said premises or any part or parcel of said premises adverse to the title of plaintiff herein, and that the plaintiff be decreed to have a good and valid title in and to said described real property, to-wit:

Lot Five (5) in Block Thirty-nine (39) of the City of Klamath Falls (formerly Linkville), Klamath County, State of Oregon, according to the duly recorded plat thereof; and that plaintiff have good and

TO DARKEN HAIR APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 5-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

valid title in and to said premises as against the said named and unnamed defendants and each and all of them.

Third. That by a decree of this Court it be adjudged and determined that the defendants and each and all of them be forever enjoined and barred from in any manner asserting any claim or claims whatsoever in or to the said premises hereinabove described, or in or to any part or portion thereof, adverse to the plaintiff; and for such other and further relief as to this Court may seem most and equitable, and for his costs and disbursements herein.

This summons is served by publication thereof, in the Evening Herald, a daily newspaper, printed, published and of general circulation in Klamath County, Oregon, by order of Honorable D. V. Kuykendall, Judge of the above entitled court, made and filed June 11th, 1930, which said order requires that this summons be published at least once a week for six consecutive weeks, beginning on the 12th day of June, 1930.

(Continued from page 5)

good joke on Smithy ought to go well. Don't know how I've passed him up for so long—but I'll make up for it now, and see that Brother Smith gets his share of attention in the future also. So be careful Smithy—Lone Star is on your trail, and when he starts out after anyone, he generally lands them.

But here goes for the story. It's a short one but that doesn't detract from its sweetness, one wee little bit.

A few weeks ago, Smithy took a little trip. No one knows where he went to, and no one knows what he did. It's nobody's business anyhow. But to continue, Smith had somewhere gotten hold of a bottle of Old Taylor, and succeeded in smuggling it into town past our very worthy customs officers. Smith and a chosen few friends, had this bottle down in the printing office the other evening, and were doing it up in good style.

Lone Star happened to be there too, as he is not above taking a drink. Noticing Smithy drinking his whisky raw we said to him, "W. O., you shouldn't drink your whisky without water."

"Why not?" asked the printer's ink expert.

"Why because it will ruin the coat of your stomach," we told him.

"Oh well," replied Smith "that don't make any difference—it's an old coat anyhow."

What Good is a Dollar?

It's largely up to you. It depends on how you spend it—on the value to you of what you get for it—on your ability to find where that value is to be had.

Of course, it's all right to shop around a bit if you like, but why not let the other fellow make it easier for you by doing a little shopping after your dollar—by showing you what you want and where you can get most of it for your money?

It's a great idea, once you get the hang of it, and here's how!

Right in this paper you'll find dozens of advertisements offering you merchandise. Some things you'll need today; some tomorrow; some next week or next year—but the

point is that these merchants are coming to you, looking for your dollar and offering the best they have to get it.

You'll find that by reading the advertisements consistently today and every day, you can increase the value—to yourself—of every dollar you have to spend. The things you see advertised are almost invariably as represented. The advertisers' statements are usually safer to trust than your own judgment. Advertised misrepresentation is business suicide.

READ THE ADVERTISEMENTS AND INCREASE THE VALUE OF YOUR DOLLAR!
