CUMMINGS SAYS HOPE LIES IN DEMOCRACY

(Continued from Page 1)

...of the tariff system were...
...and a non-partisan tariff...
...created. Pan-Americanism...
...was encouraged and the bread...
...that upon the waters came back...
...to Alaska was opened to...
...commerce and development. Dollar...
...gold was destroyed. A corrupt...
...lobby was driven from the national...
...capital. An effective Seaman's Act...
...was adopted. The federal trade...
...commission was created. Child labor...
...legislation was enacted. The Parcel...
...Post and the Rural Free Delivery...
...were developed. A good roads bill...
...and a rural credits act were passed...
...A secretary of labor was given a seat...
...in the cabinet of the president...
...Eight hour laws were adopted. The...
...Clayton Amendment to the Sherman...
...anti-trust act was passed, freeing...
...American labor and taking it from...
...the list of commodities. The Smith...
...Lever bill for the improvement of...
...agricultural conditions was passed...
...A corrupt practices act was adopted...
...A well considered warehouse act was...
...passed. Federal employment bureaus...
...were created. Farm loan...
...banks, postal savings banks and the...
...federal reserve system were estab-

lished. The federal reserve system...
...passed over the opposition of the...
...leaders of the Republican...
...party, enabled America to withstand...
...the strain of war without shock or...
...panic and ultimately made our coun-
...try the greatest creditor nation of...
...the world.

Prosperity Will Follow
Mr. Cummings continued that in...
...one sense it is quite immaterial...
...what people say about the president...
...Nothing we can say can add or de-
...tract from the fame that will flow...
...down the opening chapters of his...
...tory.

He cited the Republican and Pro-
...gressive platforms of 1914 as part of...
...the record placing this country in...
...favor of the league of nations.
"The Republican platform con-
...tains a vague promise to establish...
...another or a different form of as-
...sociation," he said. "There is no men-
...tal dishonesty more transparent than...
...that which expresses fealty to a...
...league of nations while opposing the...
...only league that exists or is ever set...
...to exist."

What Nations Stand Outside?
Revolutionary Mexico, Bolshevik...
...Russia, unspcakable Turkey and...
...the United States.

Friends For League
"It is not yet too late. Let us...
...stand with the forces of civilization...
...The choice is plain. It is between...
...the Democratic party's support of...
...the league of nations, with its pro-
...gram of peace, disarmament and...
...world fraternity, and the Republican...
...party's platform of repudiation, pro-
...vincialism, militarism and world...
...chaos."

It is not reservations that the pre-
...sident stands against, said Mr. Cum-
...mings, but nullification. He told...
...how President Wilson had published...
...the tentative text of the league cov-
...enant widely in 1919, asking for...
...criticism and receiving suggestions from...
...Taft, Hughes and others that were...
..."actually incorporated into the re-
...vised draft of the League."

Chalk Lodge Intolerant
Senator Lodge, he said, refused to...
...offer constructive amendments at...
...any time. "So intolerant was his at-
...titude that he would not even consid-
...er a compromise proposed by for-
...mer President Taft of his own party...
...and which was assured support of 40...
...Democratic senators. Senator Lodge...
...knew that he controlled the senate...
...and that in his own time and way he...
...would destroy the treaty.

"This is the sordid story of its de-
...feat," said Cummings, after review-

...cisco, where she will visit with...

MONDALE THEATER MONDAY AND TUESDAY

The vaudeville of the Mondale theater...
...Sunday all said that the vaudeville...
...and pictures combined was the best...
...show they had ever seen in Klamath...
...Falls.

Tom Mix in his latest five reel...
...picture was a delight to all who saw...
...it as it shows Tom Mix in real action...
...all the way through. And the Mack...
...Sennett comedy, "Hearts and Flow-
...ers," was a scream.

The above anything ever seen here...
...in Klamath Falls. Miss Sadie Sher-
...man in her character song stopped...
...the show, and the audience simply...
...would not let her go, as her songs are...
...all her own and delivered only as a...
...true artist can deliver them. These...
...songs are the same that Miss Sher-
...man used on the Orpheum vaudeville...
...circuit.

Santelli and company were a riot at...
...every show. Mr. Santelli is the...
...world's famous light heavyweight...
...wrestler and international athlete...
...The feats performed by Mr. Santelli...
...are amazing, especially the way he...
...handles 250 and 300 pound weights...
...and the audience just gasped when he...
...carried four men around the stage...
...at one time, total weight of four men...
...close to 800 pounds. Also Mr. San-
...telli's act is full of good, clean, hearty...
...laugh. To appreciate his work you...
...must see him.

The same acts and pictures will be...
...shown today and tomorrow. Two...
...shows each night, shows start at 7...
...and 9. Admission 25c and 50c. Com-
...ing Wednesday, June 30, George Loan...
...Tucker's sensational picture, "The...
...Miracle Man."

ing the senate's action in the matter...
..."No blacker crime against civiliza-
...tion has ever soiled the pages of our...
...history. The last chapter was writ-
...ten at Chicago."

Squarely For Ideals
"Let the true purpose of our party...
...be clearly understood," he said in...
...concluding his address. "We stand...
...squarely for the same ideals of peace...
...as those for which the war was...
...fought. We support without flinch-
...ing the only feasible plan for peace...
...and justice. We will not submit to...
...the repudiation of the peace treaty...
...or to any process by which it is...
...whittled down to the vanishing...
...point. We decline to compromise...
...our principles of peace, our immortal...
...souls for selfish purposes. We do...
...not turn our backs upon the history...
...of the last three years. We seek no...
...avenue of retreat. We insist that...
...the forward course is the only right-
...eous course."

"We seek to re-establish the fruits...
...of victory, to reinstate the good faith...
...of our country and to restore it to its...
...rightful place among the nations of...
...the earth. Our cause constitutes a...
...summons to duty. The heart of...
...America stirs again. The ancient...
...faith revives. The immortal part of...
...man speaks for us. The services of...
...the past, the sacrifices of war, the...
...hope of the future, constitute a spir-
...itual force gathering about our ban-
...ners. We shall release again the...
...checked forces of civilization and...
...America shall take up once more the...
...leadership of the world."
