PALMER'S NAME GIVEN NOISY DEMONSTRATION

SAN FRANCISCO, July 1.—At one o'clock yesterday the Democratic national convention was on the business of hearing nominations speeches. The names of Senator Owens, Ex-ambassador Gerard, Homer Cummings and Senator Hitchcock were presented during the first hour and a half. Mrs. Susan Fitzgerald of Massachusetts was the first woman to make a seconding speech in the convention. She seconded Owens' nomination. The band played "Oh You Beautiful" as she took the platform.

The demonstration which followed the nomination of Owens was not lengthy. Mrs. Force Parker of Los Angeles seconded the nomination of Senator Cummings. Mrs. Parker spoke less than a minute and the delegates in appreciation of her brevity gave her a rising demonstration of thanks.

The nomination of Attorney General Palmer was accompanied by the first real noisy and prolonged demonstration of the convention. It ran up towards a half hour with the delegates from Pennsylvania and Georgia leading the crowd.

The standards of Maine and Porto Rico also got into the parade as it churned around the convention floor. Palmer penants and small American flags were carried by the marchers as they cut lines through the crowd of delegates and sang their marching song over and over again. The Palmer men pranced about chanting the celebrated parody "Gloria, Gloria, Pennsylvania," to the tune of "Gloria, Gloria, Hallelujah." The same tune was kept up by a band in the organ loft and in between times a crew of cheer leaders kept the convention floor "pepped up."

When full platform committee re-assembled yesterday Senator Glass reported the sub-committee was not ready to report and a recess was taken until 7:30 last night. The sub-committee again went into session with its members divided in opinion as to whether it would be possible to report at the hour fixed.

POSTOFFICE SHIPS MANY CHICKENS

PETALUMA, Cal., July 1.—The Petaluma postoffice is swamped with livestock. The shipping of baby chicks by parcel post has become such a large

part of the day's work that a large transportation congestion averages 45,000 to 60,000 a day.

One day recently 60,000 chicks went out from the postoffice, and the daily shipment during the freight

Seattle has a woman's life-saving corps, composed of 18 husky mermaids who have passed all the official tests necessary to qualify as life-savers at the bathing resorts.

Diamond Squeegie Tread TIRES

FULL OF LIFE

MORE than two million Diamond Tires are in use—now, almost one for every third car in the United States.

The reason that hundreds of thousands of motorists are buying Diamond Tires is because Diamonds are delivering the service.

Small wonder that motorists buy more Diamonds than any other tire not sold to car manufacturers for original equipment.

FREE TRIP FOR CALF RAISERS

The progress made this season in the introduction of blooded stock into Klamath county has been notable. The best judges have pronounced the blooded calves which were distributed among the young club members this spring among the finest in their class. This fact is so well appreciated by the Klamath county chamber of commerce that the organization will back the new movement for improving Klamath stock to the limit, and has officially advanced the following proposition:

"To the members of the Klamath County Purebred calf club: The chamber of commerce offers to the boy or girl who wins the first prize on a calf at the county fair this fall, a free trip to the agricultural college and expenses paid while in attendance during the two weeks short course in the college next summer."

Here is an incentive worth while for the boys and girls. And taking good care of the calves will pay anyway, whether it wins the owner the prize trip or not.
