LANGRILL VALLEY NEWS

Levi McDonald has been moving his farm implements to begin haying to his homestead up the river, where he has about 65 acres of rye ready for harvesting. He has been aided by Cecil and Virgil Deal, and Sunday Mrs. McDonald and Miss Johanna moved.

Sol Dewey, Jr., and Mr. Roland visited the Langell lumber mill Wednesday of last week.

James Huntley has been engaged in shearing the sheep on the Ivan Kilgore place the last week. He has had a number of spectators, as this is a novelty to many members of the valley, to see shearing by machinery.

Will Campbell accompanied by Oscar and Lawrence Campbell visited his place, Thursday.

Cecil Deal made a trip to Klamath Falls Friday and returned with a new screen door. Looks like warm weather.

U. S. R. S. men went fishing Sunday in Lost river near the bridge. What luck?

One of the most pleasant social gatherings that has been held in the valley took place Sunday at the home of Mr. and Mrs. Merle Kilgore, when they entertained at dinner and afternoon lunch. Mr. and Mrs. Warren Kilgore and family, Mrs. Sol Dewey, Sr., Miss Margaret Lord, Mr. and Mrs. Ivan Kilgore, Mr. and Mrs. James Malone, Sol Dewey and Bunny Casey and family. The hostess was ably assisted by Mrs. Alida Duncan.

George Elliott was a passenger on the stage the other morning, making the round in one day, and returning to his home over the mountain that evening.

Mrs. George Noble, Sr., of Ashland who has been visiting at the home of John Noble, spent the night at Mrs. Etta Malone's and left via stage for her home, Monday.

Mrs. Deal had as visitors Friday, Mrs. Emma Kilgore and Alida Duncan.

Miss Margaret Lord assisted Mrs. Warren Kilgore with sewing last week.

Mr. and Mrs. Frank P. Grohs returned from Rimrock Ranch No. 1 when returning, they spent the afternoon at Sol Dewey's, Sr.

Messrs. John and Dave Turner visited Ivan Kilgore Wednesday.

Mrs. Ward Ferguson of Los Angeles is expected soon to spend the summer with her mother, Mrs. Sol Dewey.

Several stockmen have been riding for beef the past week and report the cattle looking good, the grass fine and much fat beef.

D. G. Horn and son, Dewey, came up from Bonanza, Saturday evening.

One thing that pleases the people in Upper Langell valley, perhaps more than any other thing lately, is the good road work that is being done in the junipers just east of James Malone's place. The road is being widened, straightened and

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

To see the healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside bathing every morning for a week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a fine appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to demonstrate that those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges or whose skin is sallow or pallid, that one week of inside bathing will have them looking and feeling better every day.

graded into fine shape. This is the first real work that has been done up here for about three years, and the interest in the affair is much. Those helping Mr. Winnard are Fred Hilton, Bunny Casey, John Noble, Carl Deal, Warren and Merle Kilgore.

At the school election Carl Deal was re-elected director, and a teacher was engaged.

Merle Kilgore has been out to Clear lake riding for horses the past few days.

Jack Billingsley is looking for Mrs. Billingsley home from California where she has been teaching school the last year.

Many in the valley are planning to go to Bly for the celebration on the Fourth of July.

A flood of water was turned down from Clear lake last week and helped make hay. It is thought swamp land owners will begin cutting hay soon after July 18.

John Noble and family worked on a fence he is constructing, Monday.

Everett Malone and John Horn have been gathering cattle from Langell valley, mountain this week.

Merle and Herbert Huntley has been herding their father's sheep for the past two weeks.

Quite a cavalcade of our near neighbors from Klamath reservation has been returning from Clear lake and California where they have been to dig spaws, and incidentally to catch fish.
