OREGON AERIAL MAIL PROPOSED

PORTLAND, Ore., July 2.—The first organized attempt to use aeroplanes in Oregon for the distribution of mail will be inaugurated this week, beginning Saturday, July 3rd, when a fleet of aeroplanes will leave Portland carrying huge bundles of invitations to the merchants of the state to participate in Buyers' Week, August 9th to 14th inclusive. The aviators of the Oregon, Washington & Idaho Aeroplane company will fly to various cities in the state with packages of mail for delivery to the postmasters of the cities, who will see to it that the letters addressed to the merchants of their section

receive prompt delivery. The plan is expected to be a thorough test of the proposition which has been advanced that a regular mail service from Portland to the cities of the state be inaugurated under governmental auspices. Already several Oregon cities have arranged to prepare suitable landing fields for the mail aeroplanes. The idea will be enlarged upon from time to time, but the present plan calls for a service from San Francisco, Sacramento and other California cities to the cities of Southern Oregon and the Willamette Valley to Portland, where the mail will again be distributed for Oregon coast points, Eastern and Central Oregon and for the Puget Sound region. The use of aeroplanes for the distribution of the invitations to the merchants of the state to participate in Buyers' Week, simply will be a test of the general plan. Buyers' Week, as conducted in Portland, is now a nationally recognized institution. The plan to concentrate the buyers of the Pacific Coast in Portland during the week of August 9-14 was begun eight years ago. It has proved to be an economical method of buying for the merchants of the Pacific Coast, and each year has grown so that this year it is expected that at least one hundred fifty two Portland jobbers and manufacturers will act as hosts to their guests. The first of the aeroplanes will arrive at St. Helens at 1:45 o'clock in the afternoon, and during the next few succeeding days air journeys will be undertaken to the various large cities of Oregon, namely: St. Helens, Astoria, Salem, Albany, Corvallis, Eugene, Marshfield, McMinnville, Hillsboro, Hood River, The Dalles, Pendleton, La Grande and Baker.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat which clogs Kidneys, then the Back hurts. Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulates them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
