

# If the Wood Dealer Sold Service

We do not sell current; we sell service. That sounds odd doesn't it?

Well, suppose the wood dealer sold service instead of wood, he would tend to your furnace and your range, take away the ashes and clean the flues. You would buy so much heat.

Now you buy so much light, although you pay according to the current you consume. But the service is performed for you by this company at the substations and power plants.

That is what we want to give you—efficient service. It is the aim of this company to have none but satisfied customers. No matter what it is, if you have a grievance, or are dissatisfied about your bill or do not understand our rates, please come in and see us or write us about it.

If you have any suggestions to make, we will gladly avail ourselves of them as our aim is constantly to improve our service to you as fast as the development of science and human ability permit.

## California-Oregon Power Company

# Exide

THE RACING SOURCE BATTERY CO.

Do you know what "Exide" means when it comes to selecting a starting battery for your car?

It means you are getting a specialized product backed up by over a generation of specialized experience. It means you are getting the best that the largest maker of storage batteries in the world can produce. It means you are getting the starting battery right in every detail; construction, performance, durability.

Know the facts; come in and examine the "Exide" for your car.

COME! COME!

Among the wild Tauregs of the Tripoli desert woman's sway is absolute. She does not rule by insidious wooing, but by outright command and though the women of other lands may have the men twisted round their little fingers the Taureg ladies can only be said to have them well under their heel. Among the Tauregs descent is traced entirely through the feminine line, and what little teaching is given to the young is given by the women.

## Western Floral Shop

FOR YOUR LOVED ONES

Living and departed, flowers are the logical, natural tribute of esteem and affection. Being Nature's loveliest gift to man (except woman), you cannot show your feelings in a tenderer way than by means of floral gifts. Choose from our large and beautiful array. Set pieces made to order.

### HISTORY BOOKS ARE WRONG

Documentary Evidence Concerning Declaration of Independence and Lincoln's Gettysburg Speech.

The Declaration of Independence wasn't signed on July 4, 1776. Abraham Lincoln didn't dash off his famous Gettysburg address on an old envelope as he rode on the train to Gettysburg. Most likely, George Washington never chopped down the cherry tree. The manuscript division of the library of congress isn't sure about the cherry tree episode, because George didn't write a letter about it, but it holds documentary evidence regarding the other two illusions of our school days, so the history books that we studied so trustfully were wrong.

The manuscript division has the two original drafts of the 'Gettysburg speech, one carefully written on official White house stationery, partly in pencil, and the other in ink, both displaying Lincoln's well-known handwriting. The first draft and the revised copy differ slightly from the address as it was finally delivered.

As for the Declaration of Independence, the official Journal of the Continental congress for July 4, 1776, shows that on that day congress adopted the declaration by vote, but the signing, which we make so much of was deferred as unimportant. Most of the members signed the document a month later, while in 1781, five years later, some other congressmen who were not in office in 1776 also added their signatures, thereby gaining immortality.

### SIDON! ONCE POWERFUL CITY

Metropolis of the Ancient Phoenicians Knew Domination of Three World-Ruling Races.

Sidon, the metropolis of the ancient Phoenicians, was dominated first by the Egyptians, but the yoke of the Pharaohs was thrown off, after which the Assyrians ruled with heavy hand. Later Phoenicia became a Roman province. Greek culture had a shaping influence, so that the story of Sidon is in large degree the story of the ancients through a period when classic history was shaping.

Sidon was built on an island, but the shifting sands of the Mediterranean filled in the harbor and joined the island with the mainland, so that the site of the ancient city is now on a peninsula. The Sidonians, along with the Phoenicians in general, were a seafaring race of fishermen. The calling of the sea was directly responsible for the rise of the Phoenicians to a powerful place in the nations, the domination of the Mediterranean, the founding of Carthage, colonizing in Spain and the threatening of Rome itself.

As early as the seventh century before Christ, the Sidonians had piloted their tiny craft, propelled by sails and banks of oars, around Africa. Many of the archeological finds of Sidon have been preserved in the British museum and in the museum of Constantinople.

### Longest World Tunnels.

Among the longest tunnels in the world is the Alberg tunnel under the Alps, which is six and three-quarters miles long. The Detroit News states, The Gunnison tunnel in Colorado is six miles long, and the Hoosac tunnel in Massachusetts is four and three-quarters miles long. The Mont Cenis, in Italy and France, is eight miles long.

The Croton water tunnel in New York is 2 3/4 miles long, while the tunnel which drains the Freiberg mines, in Saxony, is 3 1/4 miles long. The St. Clair tunnel, connecting Sarnia, Ont., with Port Huron, Mich., is two miles long, and the Strawberry tunnel in the Wasatch mountains is 50 miles long.

### The Ark of the Covenant.

The Ark of the Covenant was the sacred chest which the Lord directed Moses to make to contain the tables of the law which he had received on Mount Sinai. It was four and one-half feet long, two and one-fourth feet wide and two and one-fourth feet high. It was covered within and without with gold and was carried by staves inserted in rings on the corners. This Ark of the Covenant was the most sacred possession of the Israelites. It was placed in the holy of holies in the tabernacle and later in a similar position in Solomon's temple. The ark was carried from one place to another and what finally became of it is unknown.

### Weighing Ice at Home.

A close estimate of the weight of ice can be reached by multiplying together the length, breadth and thickness of the block in inches, and dividing the product by 30. This will be very closely the weight in pounds. Thus, if a block is 10 by 10 by 9, the product is 900 and this divided by 30 gives 30 pounds, as correct weight. A block 10 by 10 by 6 weighs 20 pounds. This simple method can be easily applied, and it may serve to remove unjust suspicions, or to detect short weight.

### Meet Difficulties Bravely.

It is only faint-heartedness that sits down and finds things hard and impossible. Courage grows in difficulties because by overcoming them it gains strength.

### Imitation Pearls.

The Japanese produce an imitation pearl by fastening a piece of mother-of-pearl in the shells of the pearly oyster and allowing it to remain there for a number of years.

MAY ALLISON in "THE CHEATER"

# Thursday at the Liberty

ARTHUR LeBEAU, of Winslow, Vermont, who declares he is now in the 'pink of condition' and enjoying life for the first time in many years as the result of taking Tanlac.

"Thanks to Tanlac I am now enjoying life for the first time in years," recently declared Arthur LeBeau, foreman of the Porter Screen Co., Winslow, Vermont. "For five years I was a sick man. My principal trouble was indigestion. I had no appetite and generally went off to work without any breakfast because I knew if I ate anything it would only upset me.

"My condition was so bad in fact, I could neither sleep, eat nor work with any satisfaction and was so nervous that the least thing would upset me. Nothing seemed to agree with me and I would have severe cramping pains in my stomach and at times my heart would palpitate badly. I also suffered from shortness of breath, and the least little exertion would make my heart thump like an engine.

"At last I almost decided I would give up my job as I got so weak and miserable I felt I could stand it no longer.

"One night as I sat reading a paper I saw a statement about Tanlac which convinced me it was just the medicine I needed. It helped me from the very first dose and at the time I had finished my third bottle, I hardly knew myself.

### BANK INCREASES CAPITAL SURPLUS

The surplus and capital stock of the First State & Savings Bank have each been increased to \$100,000, according to bank officers. The former surplus fund was \$25,000, while the capitalization was \$50,000.

Larger enterprises, requiring larger loans in their development, and the desire of the bank to be able to do its share in the general development of the community, influenced the directors to sanction the increase, which has been in contemplation for some time.

### FINED FOR DRUNKENNESS

Several who celebrated the Fourth well but not wisely appeared before Police Judge A. L. Leavitt yesterday and paid for their depression. J. W. Perdue, John Uhrine and J. Dougherty paid \$5 for being drunk and disorderly. H. Cagill was fined \$9 and given 5 days in jail as this was alleged to be only one of many like offenses for him. Joe Nixon was given 10 days in jail. This last sentence was suspended on condition that he leave town at once and get to work, thus saving the city a big board bill.

NEVADA CITY, July 7.—John H. Richards, well known citizen of this place, passed away at his home at the age of 65 years after an illness of several months.

After thirty-two years' waiting, Miss Harris Smith, debarred from the Institute of Chartered Accountants because of her sex, has been admitted, and becomes the first and only woman chartered accountant in the British empire.

"I never have the slightest symptom of indigestion now and I feel like a brand new man in every way. My appetite is splendid, my nerves are steadied and I sleep soundly at night. The work I used to dread now seems easy for me and I am now in the very 'pink of condition.' Of course, I am only too glad to recommend this medicine."

Tanlac is sold in Klamath Falls by the Star Drug Co., in Lorella by the James Merc. Co., and in Merrill by the Southern Oregon Drug Co. Adv.

### RENEWED TESTIMONY

No one in Klamath Falls who suffers backache, headaches, or distressing urinary ills can afford to ignore this Klamath Falls man's twice-told story. It is confirmed testimony that no Klamath Falls resident can doubt.

H. S. Wilson, chief of police, 217 Main St., Klamath Falls, says: "My experience with Doan's Kidney Pills has proven very satisfactory. I can recommend Doan's to anyone as they do all that is claimed of them. I had rheumatic pains in my feet at times and this was very painful. Doan's Kidney Pills were recommended to me so I gave them a trial. Five boxes cured me of the trouble and since then I haven't had rheumatic pains or any symptoms of kidney disorder." (Statement given March 11, 1916.)

On March 15, 1920, Mr. Wilson said: "I have had no sign of kidney complaint since Doan's Kidney Pills cured me. I am always ready to say a good word for Doan's." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wilson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## New Jars The Best Because No-Spoiled-Food

CHEAPEST IN THE END

You may take that suit to the tailor's a dozen times and ask him to try and remove the spots and brighten it up a bit, but he cannot do it. Dry cleaning is the only effective way. It costs a little more but then you have practically a new-looking suit. Bring it here next time.
