POINTS THAT COUNT IN

Pharmacy

Many people do not consider the relative merits of drug stores. This is due to the fact that they are not in a position to study, the various points of contrast.

For your convenience we enumerate some of the things which should apply to the drugs you buy.

Drugs Should Be Pure.
All of our drugs are bought with regard to quality.

Drugs Should Be Fresh.
We order drugs at frequent intervals and while in stock they are stored so as to prevent deterioration.

Drugs Should Be of Right Potency.
All drugs which we buy are assayed so that we may guarantee their potency.

Drugs Should Be Carefully Dispensed.
Experienced, registered pharmacists do all of our compounding.

Drugs Should Be Sold At a Fair Price.
The prices we charge are as low as goods of the same quality may be had for elsewhere.

Everything at our store is as it should be. You can place utmost confidence in our goods, and our methods will surely appeal to you.

COMMUNION SERVICE AT MT. LAKE SUNDAY EVENING

The Rev. E. P. Lawrence will deliver the sermon and hold communion services at the Mt. Lake Presbyterian church next Sunday evening at 8 o'clock. All are cordially invited to attend.

"LADY" AND "GENTLEMEN" ARE OBSOLETE TITLES

PORTSMOUTH, Eng., June 17. (By Mail.)—The use of the words "ladies" and "gentlemen" is to be discontinued in the parish so far as he is concerned, says the Rev. Bruce Cornford, in his parish magazine.

"The words have now absolutely no meaning," he writes. "Foolish class distinctions should have no place in the church. Even the Master called His mother 'woman' while no one would insult St. Peter by calling him gentleman. The parochial council consists of men and women."

DANSANTE AT THE WHITE PELICAN HOTEL

An event of the season will take place at the White Pelican hotel Friday evening when King's jazz artists, under the direction of Mr. Bateman will give a dansante. The affair will be the first of its kind this season and the management is sparing nothing to make it a success.

Some 80 years ago Joseph Gillott was a working jeweler in Birmingham, England. One day he accidentally split a fine steel tool, and, being suddenly required to sign a receipt, and not finding a pen handy, he used the split tool as a substitute. This happy accident is said to have led to the idea of making pens of metal.

In many of the rural parts of England the singular belief prevails that in leap year all field-beans grow on the wrong side of the pod.
