CHANDLER SIX

Famous For Its Marvelous Motor

The Chandler Dispatch Car Has First Preference

The automobile industry has produced no distinctive model more popular than the Chandler Dispatch, a car reflecting in its lithe lines the character of its service. It is the first preference among those who want a four-passenger close-coupled open car. Its comfort, its beauty of line and finish, and its dependability are typical of the established Chandler quality.

The popularity of the Dispatch, which reaches to every corner of the world, is based not only on the grace of its trim design and its beautiful Rainbow Blue finish, but is due quite as much to the standard Chandler chassis upon which it is mounted. It seats four persons with utmost comfort. The driver's position is restful. The cushions are deep, well tilted and trimmed in the best of genuine hand-buffed leather.

With its wonderful flexibility of power, its ease of driving and real comfort, characteristic of all Chandler models, everybody likes the Dispatch.

WHEREFORE your petitioners pray that the lands herein described, or such part of them as may be found by the court to be properly included in the proposed district aforesaid, either permanently or until further investigation and surveys may permit elimination shall be declared organized into a drainage district, and that such and other and further proceedings be had as may be necessary and proper.
