

Our... MIDSUMMER SHOE SALE

IS A CONSPICUOUS SUCCESS

Since our sale began Tuesday morning our store has been visited by a steady stream of buyers who have been attracted by our genuine "marked-down" prices, and who have found the shoes they wanted in makes and sizes that fairly radiate style, comfort, and the maximum of shoe service. How long this sale will last we do not know. Several of our lines are being depleted rapidly, and while you have an immense stock from which to make your selection, still those who buy now stand a better chance to get the shoes they want.
