**O**PPORTUNITY, it is said, knocks but once at every man's door, but the people who have been attracted to our midsummer clearance sale of shoes evidently have heard Old Man Opportunity knock more than once and, recognizing his knock, are taking advantage of this opportunity to buy dependable, classy shoes—any style—at genuine marked-down prices.

In this sale we are pursuing our steadfast policy of giving honest reductions—we don't mark them up, and then down again, to fool the buying public. As a result of this bona fide reducing policy, several of our short lines are almost gone, and even the bigger ones are showing tremendous depletions.

Remember, the big sale is still on. It is not necessary at this time to list the very low prices. You know what you would ordinarily have to pay for shoes. Just rest assured that you can buy from us now "for less," and come in and make a dependable selection from our varied stock. Our woman's high shoes are proving very popular buys. Also oxfords and pumps suitable for either summer or autumn wear. We are selling splendid hosiery, too, at lower prices. Come in and look over our shoes and prices. You'll like them both.
