Said lands in general are partially reclaimed swamp and overflow lands. Said lands are now protected from overflow by dikes, and an improved system of drainage and irrigation is in process of construction, and the proposed plan will include such additional dikes, drainage and irrigation canals and works as will be deemed necessary.

X. All of the undersigned petitioners have agreed, and do hereby agree, that they will pay any and all expenses incurred and any tax or taxes that may be levied against their lands respectively, for the purpose of paying the expense of organizing or attempting to organize the proposed district.

WHEREFORE your petitioners pray that the lands herein described, or such part of them as may be found by the court to be properly included in the proposed district aforesaid, either permanently or until further investigation and surveys may permit elimination shall be declared organized into a drainage district, and that such and other and further proceedings be had as may be necessary and proper.
