HARDING'S WIFE REAL HELPMATE

MARION, O., Aug. 10.—Many women of Marion, girlhood acquaintances, friends or chums of Mrs. Warren G. Harding, wife of the Republican nominee for the presidency, are enthusiastic over the possibility that she may preside at the White House. They say she is well fitted for the duties of a president's wife because "she has a mind of her own, generally manages to get what she wants, is thoroughly democratic, likes to give and go to parties, is interested in a hundred and one things, knows how to talk to every one including men and once she knows you, always knows you."

Some Marion residents say Mrs. Harding has contributed in important ways to Mr. Harding's success in life.

Mrs. Harding was born here, August 15, 1860 and was reared in this city where she attended grammar and high schools. Afterwards she studied music at the Cincinnati Conservatory of Music.

As Florence Kling, daughter of Amos Kling, banker and one of the most wealthy men in Marion, she is described by a girlhood friend Mrs. Margaret Younkins, as "one of the best horsewomen I have ever seen. She rode and drove more like a man than a girl," said Mrs. Younkins who said she was more accustomed in those days to seeing Florence Kling dashing swiftly by the street on Billy, her saddle horse, than walking with the other girls of her social circle. Other girlhood friends of Mrs. Harding told of the times when they used to "pile into Florence's phaeton and ride with perfect confidence behind her speedy Billy."

Florence Kling was married to Warren G. Harding, then as now newspaper publisher, on July 8

1891, in their present home in Mount Vernon avenue, Marion. For more than 12 years, until illness prevented, Mrs. Harding was circulation manager of the Star, her husband's newspaper. In addition she was the registration bureau for complaints, advertising manager and agent to the newsboys.

When Mrs. Harding returns to Marion and meets any of the boys who carried papers for Senator Harding when she was circulation manager, she puts them on the back, it is said, and remarks: "Here is one of my boys—he will be famous some day."

Mrs. Harding has been a member of "The Twigs," a card club of Marion for many years.

AMATEUR SAILORS VOYAGE TO EUROPE

NEW YORK, Aug. 10.—William Washburn Nutting, a motorboat publisher, of Beachhurst, L. I., who recently departed from New York aboard his ketch "Typhoon" for Cowes, England, took with him a crew of amateur sailors.

"Typhoon" is a new yacht built at the laboratories of Dr. Alexander Graham Bell, Baddeck, Cape Breton Island, Nova Scotia, Canada, from designs by William Atkin. She is a 45-foot craft with a beam of 14 feet and auxiliary powered for use only in case of calm water.

The crew consists of Nutting, F. W. Baldwin, the head of Dr. Bell's laboratories, "Jim" Dorsett, Baldwin's right hand man and Guy Matheson, who joined the Canadian Expeditionary Force as a private and came back an acting Colonel with the distinction it is said, of winning every military decoration within the V. C. of the British nation except the V. C.

The yacht will sail approximately the course taken by Alcock and Brown in their famous airplane voyage from Newfoundland to the British Islands. This is far north where there is plenty of wind and usually plenty of sea with it. Mr. Nutting expected to arrive at Cowes in time to attend the races for the British International Trophy, for which an American team of three boats has challenged and which will take place starting August 10. Later the "Typhoon" will cruise about the British Isles, then down the French coast and into the Mediterranean. Before snow flies the party will sail for the United States via the Southern course, stopping at the Azores and Bermuda.

BUYS TRACTOR PLOW

Gus Melhase, of the Algoma section, recently purchased an International tractor and a P. O. plow from J. S. Mills & Son, thus paving the way for bigger and better crops "when the harvest days are over" next year.

THE FORTUNE TELLER

"You will marry the one you love," said the fortune teller.

"Has he dark hair?" asked Miss Gush.

"Yes."

"Is he a cute little moustache?"

"Yes."

"Is his name George?"

"Yes."

"Is he an automobile salesman?"

"Yes."

"Does he live on Blank street?"

"Yes."

"Has he given you an engagement ring set with a diamond and two pearls?"

"Yes."

"Will he be 24 in August?"

"Yes."

"My," said Miss Gush, as she turned to her companion, "isn't it perfectly wonderful how a fortune teller can know all these things! And they are all true too! I can't understand it!"—Toronto Telegram.

ALASKAN DOGS WANTED

SAN FRANCISCO, Aug. 10.—Alaska dogs are wanted by a party of British explorers who are planning an expedition to the Antarctic according to a letter received by C. T. Lilling of Berkeley, Cal., former Nome, Alaska, dog racer from Captain H. Williams, a member of the proposed expedition.

John L. Cook, manager and pilot of the Bir Eneest Shookshook expedition to the South Pole, is to head the party, the letter said. The start it is hoped, will be made from Wellington, New Zealand, next fall.

Dogs of the breed wanted by the Bir Eneest expedition are from the same stock as the animals sent to France from Alaska during the war by Dilling and A. A. ("Scotty") Allan, another Nome dog breeder. The two men developed a team that won the annual Nome, All-Alaska sweepstakes dog derby four times.
