ORGANIZERS REPORT MANY APPLICATIONS

Considerable activity is reported in labor circles by organizers Call, Holden, and Wood, of the Timberworkers' Union. Mr. Call has returned from a week's visit to Weed and adjacent points in the interests of the international union.

Dorris, Chiloquin, and other points have also been visited, and according to the organizers the membership campaign is progressing satisfactorily, scores of applications having been received.

A regular meeting of the local Timberworkers' Union is scheduled for Saturday evening, August 21st, and preparations have been made for the initiation of a large class.

The union meets every Saturday evening, in order to give out of town

members every opportunity to participate in the meetings.

DIVORCE SUIT

Mattie Beagle has begun suit in the circuit court against Adam Beagle on the ground of cruelty.

SECTION HANDS ARE FEW

MISSOULA, MONT., Aug. 19.—Maintenance work on the Rocky mountain division of the Northern Pacific railroad is being retarded considerably by a shortage of section hands, according to officials of the road, who say that the shortage is greater than ever before.

The gangs in this division are declared to be 400 men short of their usual strength.

WOOL MOVED BEFORE FREIGHT RATE RAISE

PRINEVILLE, Ore., Aug. 19.—On account of the 30 per cent increase of freight rates the wool which has been stored in Ochoco warehouse is fast being sent to wool warehouses in Portland. It was stored here with the hope of increased price and most of it, which amounted to almost 900,000 pounds, has not yet been sold. At the present, Prineville has not felt any shortage of freight cars in which to ship it.

As soon as the wool is taken out, space in the warehouses is being taken by those having grain to store, as the crops in central Oregon are especially good this year, there will be an enormous grain crop to store.

A classified Ad will sell it.

TRAINING WILL END TOMORROW

Training for the boxing contests at the opera house Saturday night is serious work for the athletes who will take part, as those who have watched the boys working out each evening at the open air pavilion on Pine street will testify.

That the sparring is no exchange of gentle love taps was proved to Matchmaker Smith when he was forced yesterday to skirmish about for a substitute for Kid Willis for the four round bout with Young Hartley of Yreka, Willis having connected with a hefty haymaker while sparring with Bobbie Wagner that resulted in a broken nose.

"Red" Franklin, sparring partner for Louie Lyons, will go on in Willis' place and his reputation as a clever, two handed fighter who has stopped some of the best coast welterweights, will be given the acid test before he concludes his Saturday night engagement with the Yreka batter.

Bobbie Wagner, Lew Lyons, Kid Eaton and Wild Bill Reed went through some stiff workouts at the pavilion last night. Wagner will begin tapering and finish his training tomorrow night with a light workout.

Billy Huff, his opponent, will take his concluding workout tomorrow afternoon at 4 o'clock. A large crowd of enthusiastic fans watched yesterday's workouts. Opinion on the merits of the fighters is evenly divided. Both are in good shape and both are full of confidence, and backers of both give equally conclusive reasons why his man should win. One prediction is made that is apparently unanimous—the main event will be a contest from start to finish.

The advance sale of tickets is going well, according to the matchmaker, and a full house is indicated.

Eddie Murphy, local bantamweight, who faces Lew Lyons in the six-round event, is working hard and his steady training shows results. He is out for laurels this time, as his opponent claims the coast championship in his class. Murphy has made several appearances in the local arena and is generally sized up as a hard proposition. His ability to stand punishment is exceptional and he has a terrific punch in either hand. In fact, he is a battering ram in action, and the only escape for an opponent is greater cleverness and ability to keep out of the way. Murphy's friends are looking for him to win Saturday's bout, but many fans are backing the Los Angeles boy's experience to handle the situation.

SONG TRANSLATOR DEAD

SAN FRANCISCO, CAL., Aug. 20.—Carlos Troyer, who recorded hundreds of songs of the Indians of Peru and of the Zuni tribes of New Mexico and Arizona, died here recently at the age of 84.

He was a noted musician, composer, writer, explorer, and humanitarian. His friends were said to have included Lieut. Jenny Lind, Don Pedro of Brazil, and Col. Theodore Roosevelt.

Some Picture

"What's Your Husband Doing?"—Was one of the funniest farces ever presented on the speaking stage.

And, take our word for it, it's one of the funniest pictures ever made. It's all about jealous wives and husbands, and it's a solid laugh from first to last.

Furthermore, the stars are Douglas MacLean and Doris May, whom you saw in "23 1/2 Hours' Leave." This was their first starring vehicle. They made a wonderful hit in it. "What's Your Husband Doing?" is just as funny.

It's a Thomas H. Ince production, a Paramount-Artcraft picture. We're showing it on Friday and Saturday. If you saw the other picture these new stars have made you don't have to be urged. If you didn't, ask anyone who did! Now come and see it and you'll agree with us.

The Sage Says :

THERE IS NO ADVERTISING QUITE SO GOOD AS THE "WAGGING TONGUE OF A SATISFIED CUSTOMER"

In this day of wide-spread publicity every merchant casts about to find the most effective medium.

There are Messages which we must give through the newspaper columns and others which must journey directly to the home with "Uncle Sam" as their sponsor—but the trade which we appreciate most is that which comes from the kindly "word of mouth" and is passed along by our satisfied customers.
