LADIES DARKEN YOUR GRAY HAIR

USE GRANDMA'S SAGE TEA AND SULPHUR RECIPE AND NOBODY WILL KNOW

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it, and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

A Classified Ad will sell it.

SALVATIONISTS TO REORGANIZE

NEW YORK, Aug. 21.—A far-reaching reorganization of the Salvation Army, designed to put it in a position the better to meet the enlarged demands that are everywhere being made upon it since the war, has just been announced by the executive officials of the body here. The new era upon which the Salvationists are entering involves not only a complete redistribution of personnel, but also a redistributing of the entire country for the army's administrative purposes.

Remaining as head of all the Salvation Army forces in the United States is Commander Evangeline Booth, who has rendered 15 years of service here. She continues as commanding officer of all the army's forces in the United States and Hawaii, but with enlarged authority delegated to her in recognition of her successful direction of the wartime efforts of the organization both at home and abroad.

For administrative purposes the country has been divided into three territories, an eastern, central and western, with headquarters respectively in New York, Chicago and San Francisco. Colonel William Peart, who has long been chief secretary in the United States, will leave New York with a promotion to commissioner and assume charge of the army's work in the central territory. To New York as ranking officer comes Commissioner Thomas Estill who heretofore has directed the Salvationist activities for the entire western half of the country from Chicago. The commanding officer for the new western territory will be Colonel Adam Gifford, formerly in charge of the work in New England.

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys if bladder bothers you

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney diseases.

whose promotion to the rank of lieutenant commissioner will take effect with his assumption of his new post.
