

Pass this all along the line etc.

Thursday P. M.

DEAR PETE:

Just blew into Pittsburg to close that N and P purchase. While I was waiting for the contract to be signed who ambles in to the G. M's office but President Holt! Asked me if I had a cigarette. Slipped him my "Camel Garage." Remember, he hit the "straight" boys when I met him last year?

Pete, you ought to hear Mr. Holt talk Camels! Gee, I thought I was some Camel spieler. But he went right to the mat with the subject. Say, if I could have shorthanded that line of super-stuff I'd have the job writing Camel ads by noon today!

"Reynolds ought to get a dollar for every Camel cigarette", Mr. Holt declared. "Why, my boy, Camels are simply wonderful," he added. "Don't ever let anybody talk about mild cigarettes compared with Camels! I know! (Get that, Pete). I've proved it to a hundred smokers that Camels are the mellowest and most refreshing cigarette in the world," etc., etc.

Pete, Camels won Mr. Holt like they won me — on their quality! After hearing him cut loose, I felt like saying: "You tell it, old parcel post, I can't express it!"

Pete, I'm hatching an idea about Camels. I'll spill it your direction next time I write! It's what York State folks call a "pip-ing!" And it's ripe!

Yours till the next fire-up.

Shorty.

meet that issue as readily as any other."

After announcing that the Republican party had probably never before enjoyed such complete unanimity of acceptance and approval of a presidential nominee, Mr. Hays accused the Democrats of indecision in selecting an issue about which to rally.

"It is for their new leader, now zig-zagging back and forth from the sinister blight of the socialist of the Democratic party to the furtive presence of its quartette of bosses, to make his selection," he said.

Of Republican willingness to meet their adversaries on whatever ground they chose, Mr. Hays said:

"When they concentrated upon the league covenant without the dotting of an 'I' or the crossing of a 'T' we met them squarely.

"When, through their national chairman, fresh from a conference with their candidate, they pronounced the covenant only a 'secondary issue' after all, we acquiesced. When the candidates reavered their national chairman and declared the Wilson league the sole issue, we accepted most readily. Where next they will land is wholly conjectural."

The ultimate choice of the Democratic party is a matter of indifference to the Republicans, Mr. Hays declared, adding: "Our sole requirement is that there shall be no restriction. This referendum is going to be more than solemn. Is it going to be great, the most comprehensive ever known. Before ended it will have comprised every phase of maladministration and every flock of Wilsonitis that have brought untold miseries to a people who have every right to be prosperous and contented."

IF BACK HURTS BEGIN ON SALTS

Flush your kidneys occasionally if you eat meat regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleep-

lessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

Mrs. Charles Hayward, of Toronto, has contributed the first dollar to-

ward a public fund from which it is proposed to build a Canadian challenger for the America cup.

SQUEEZED TO DEATH

When the body begins to stiffen and movement becomes painful it is usually an indication that the kidneys are out of order. Keep these organs healthy by taking

GOLD MEDAL HARMEN OL

The world's standard remedy for kidney, liver, bladder and uric acid troubles. Famous since 1895. Take regularly and keep in good health. In three sizes, all druggists. Guaranteed as represented. Look for the same Gold Medal on every box and accept no imitations.

WHY WOMEN ARE GOOD SAVERS

WOMEN usually save well because they live in the present—with one eye open for the future. They are anticipating that new home, sending the children to school or having something on hand when the big opportunity comes along for their men folks.

KLAMATH FALLS OREGON

G. O. P. CHAIRMAN CHARGES WILSON DOMINATES COX

AUGUSTA, Maine, Aug. 24.—Will H. Hays, chairman of the Republican national committee, Saturday opened his party's campaign in this state for election of members of congress with a speech in which he asserted that Governor Cox was dominated by President Wilson and four unnamed "bosses."

"The Democratic candidate appeals to both the Wilson and the anti-Wilson factions of his party," declared Mr. Hays. "To the former he holds forth the president's platform. To the latter he exhibits himself as an advocate of complete change in administration. He offers to the country for foreign use the Wilson government and for domestic service Tammany Hall—truly a marvelous combination of impotence and ill-repute."

Mr. Hays devoted much of his speech to discussing campaign funds, denying vigorously that the Republican party planned to expend excessive sums to elect Senator Harding and Governor Coolidge. Also denying that millions had "gone into the Republican treasury" from "certain interests banded together to buy the presidency"—a statement which he credited to Governor Cox. Mr. Hays declared that this amounted to a charge of conspiracy to betray the country.

Referring to the Republican plan to limit individual campaign contributions to \$1,000, Mr. Hays said:

"If this attempt fails to produce the requisite sums, we shall so state publicly, increase the maximum, and seek additional contributions."

Declaring that the party needed about \$3,000,000, Mr. Hays said that no criticism of the Democrats for seeking the largest obtainable contributions would be offered. "Nor shall we, in resentful emulation of the positive charges of the Democratic candidates, so much as intimate that their responsible officers will use any part of their funds corruptly," he said. "Frankly and squarely, as between mutual respecting citizens, we don't believe they will or would if they could."

"But I give fair warning now that neither the Republican candidates nor the Republican management will take false aspersions lying down. If, at the decision of our adversaries this campaign shall finally resolve into a question of personal charges, we know of no reason, aside from national distaste, why we should not

BEND BUILDERS HAVE OWN STONE QUARRY

BEND, Ore., Aug. 24.—To provide a steady supply of high grade building stone to meet the local demand an organization of Bend business men has been formed and will operate a quarry. This will turn out building blocks.

Madame Albani, the famous singer, who has been living quietly in London since she took farewell of the concert stage about a decade ago, is of Canadian birth, her parents hav-

ing been French-Canadians residing near Montreal. Her maiden name was Lajeunesse and it was not until she made her professional debut that she adopted the name of Albani. The name was chosen out of compliment to the city of Albany, N. Y., where her singing at the cathedral, when she was but 13 years of age, caused all who heard her to predict a brilliant future—a prophecy that was abundantly realized.
